Dear Ms. Tolson:

At its Full Board meeting on April 20, 2017, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

6/4/17 Portuguese SoHo Single Block Festival, Thompson between Spring St. and Prince St.
from 11:00am to 4:00pm

Whereas this is the 2nd annual event celebrating the history and cultural presence of Portuguese immigrants in this community, and

Whereas the applicant shared her numerous works on the subject with the Committee and,

Whereas the event was well received last year and will again feature family group arts and crafts activities, poetry readings, some food samples made by participants (no food trucks) and perhaps a small piano to play Portuguese songs, and

Whereas the applicant sought the advice of the Committee and the community as to location and agreed to the suggestion made to change the event to Sullivan Street between Spring and Prince so it will cause less of a traffic problem for those in the neighborhood, and

Whereas the applicant agreed to contact the Mayor's Street Activity Permit Office to amend her application to Sullivan Street,

Therefore be it resolved that CB2 recommends approval of the **Portuguese SoHo Single Block Festival** on 6/4/17 so long as the applicant resubmits their application to reflect the agreed upon change in location (from Thompson Street to Sullivan Street).

VOTE: Passed unanimously, with 34 Board members in favor.

Please advise us of any decision or action taken in response to this resolution.

Sincerely,
