Dear Mr. Lissauer:

At its Full Board meeting on January 21, 2010, Community Board #2, Manhattan (CB#2, Man.) adopted the following resolution:

Denial of Blue Knights Law Enforcement Motorcycle Club “Garlic Run”, (multi-block), Mulberry St. bet. Canal St. & Broome St.

Date: 6/16/10
Set up: N/A
Breakdown: N/A

WHEREAS, The Blue Knights Law Enforcement Motorcycle Club (the “Blue Knights”) is an organization based in New Jersey who sponsors a yearly “Garlic Run” from New Jersey to Little Italy in Manhattan; and

WHEREAS, The Blue Knights raise money from the Garlic Run to benefit sick children who cannot afford to fully pay for their medical care; and

WHEREAS, The Blue Knights seek a renewal of their street fair application permit, which was approved last year by CB#2, Man. subject to the Blue Knights donating half of the proceeds raised from their “Garlic Run” to two sick children who live in CB#2, Man.; and

WHEREAS, The Blue Knights and CB#2, Man. were unable to work together to identify any sick children to support largely because the members of CB#2, Man. determined it was inappropriate for CB#2, Man. to select individual children who would benefit from the proceeds raised by the “Garlic Run”; and

WHEREAS, The Blue Knights were unwilling to donate the proceeds to a children’s hospital or similar institution in CB#2, Man.; and
WHEREAS, Chapter 11, Section 1-03(b), of the Rules of the Street Activity Permit Office Relating to Applications, Fees and Charges, states that a street fair sponsor should be a “community based, not-for-profit organization, association or the like, which has an indigenous relationship to the specific street or the community or both, for which the event is proposed and which demonstrates that it has the support of the community and is willing to take full responsibility for the conduct of the event”; and

WHEREAS, the Committee reevaluated the application this year based upon the above SAPO guidelines and determined that the Blue Knights, as a New Jersey based organization, have absolutely no “indigenous” relationship to any specific street or the community for which their event is proposed, nor are they able or willing to take responsibility for the conduct of all of the motorcycle owners who participate in the “Garlic Run”; and

WHEREAS, the “Garlic Run”, while for a good and worthy cause, results in thousands of motorcycles converging in downtown Manhattan, thereby causing excessive noise, pollution and traffic in those areas effected by the event; and

WHEREAS, numerous community members showed up to the Committee meeting in opposition of the “Garlic Run”; and

WHEREAS, there are already an overwhelmingly large number of street closures that take place annually within CB#2, Man. and the Committee strongly believes that street closures in CB#2, Man. should only be approved when the above SAPO guidelines are satisfied; now

THEREFORE BE IT RESOLVED, that CB#2, Man. denies the street fair permit application of the Blue Knights.

Vote: Unanimous, with 37 Board members in favor.

Please advise us of any decision or action taken in response to this resolution.

Dear Mr. Lissauer:

At its Full Board meeting on January 22, 2009, Community Board #2, Manhattan (CB#2, Man.) adopted the following resolution:

**Conditional Support of the Figli di San Gennaro Street Activity Permit Application, (multi day, multi-block), Canal & Houston Sts. & Hester & Grand bet. Mott & Centre Sts.**

**Dates:** 9/10-9/20  
**Hours of Operation:** 11:30am – 11pm (Sun – Thurs) and 11:30am – 12:30am (Fri and Sat); 30 minute reductions from last years application.

**Whereas,** applicant was represented by Vivian Catanaccio and Mort Berkowitz; and

**Whereas,** this street fair has been on going for the last 80 years and is a important and cherished annual event for the residents of Little Italy; and

**Whereas,** the committee was furnished with a breakdown of all of the Charitable donations made and the costs associated with running the San Gennaro street fair; and

**Whereas,** the San Gennaro street fair provides much needed revenue to local restaurants and businesses, who are experiencing severe financial hardships during the current economic downturn; and

**Whereas,** the San Genarro Festival generates approximately $800,000 in gross revenues of which $160,000 in fees are turned over to the City of New York; and

**Whereas,** several residents from the community spoke against the closing of the streets, and complained of congestion, noise and a lack of police enforcement; and
Whereas, the majority of residents from the community spoke in support of the application, citing the historical, cultural and economic value to the Little Italy community; and

Whereas, through a show of hands the committee saw that approximately 90% of the public audience were in favor of San Gennaro and approximately 10% were opposed to it; and

Whereas, Mort Berkowitz, the promoter for the applicant, exchanged telephone numbers with a number of the neighbors who had complaints about the street fair and agreed to work with them and CB#2, Man. to solve their concerns and strictly enforce all rules and regulations; and

Whereas, the committee strongly urges the 5th Police Precinct to strictly enforce all rules and regulations governing this street fair with a maximum police presence so as to minimize the impact on the residential community; now

THEREFORE BE IT RESOLVED, that CB#2, Man. recommends approval of the San Gennaro street fair permit application subject to an ongoing dialogue regarding the enforcement of applicable rules and regulations governing San Gennaro, which shall take place both before and after any permit is issued, and shall include the applicant, LIMA, residents of the community, merchants, the 5th Police Precinct, SAPO, Council Member Gerson’s office, other local elected officials and all other relevant City agencies, and with the following conditions (which are subject to change based upon the ongoing discussions referenced above):

1. **Soundstage/Bandstand:** The applicant agrees to rotate the location of the soundstage/bandstand on a yearly basis so as not to inconvenience the same residents each year who are effected by the amplified sound. The location of the soundstage/bandstand each year will be determined by the applicant in consultation with CB#2, Man. and local residents. The applicant further agrees to reduce or eliminate amplified sound during periods when live performances are not taking place. The soundstage shall operate during the following hours:

   - Monday-Thursday: 5:30 p.m. – 9:30 p.m.
   - Friday: 5:30 p.m. – 11:00 p.m.
   - Saturday: 12:00 p.m. - 12:30 a.m.
   - Sunday: 12:00 p.m. – 9:30 p.m.

2. **Enforcement of Rules and Regulations:** The applicant agrees to strictly enforce all rules and regulations governing the street fair, which will be discussed and clearly agreed upon during the course of the continuing dialogue between the relevant parties referenced above. The applicant further agrees to promptly investigate and respond to any complaints from CB# 2 Manhattan and/or local residents.

3. **Announcements:** The applicant agrees that there will be no PA announcement made at the end of the night asking vendors to shut down their stands, instead the event staff will walk the streets telling vendors to close their stands. This will reduce noise levels late at night.

4. **Building:** The applicant agrees that no building is to take place overnight. Vendors must comply with the DOT construction regulations.

5. **Oil:** The applicant agrees that for clean-up and dumping of oil, the feast will continue to require all vendors to pay a mandatory fee for an outside company to pick up the oil.

6. **Sidewalk cafes:** The applicant agrees that all restaurants should comply with their DCA permits and will seek to enforce any violations that take place.
7. **Trees**: The applicant agrees that they will respect the trees and that vendors cannot hang anything from them or dump waste/debris in the tree pits.

8. **Toilets**: The applicant agrees that port-a-potties will be cleaned on a regular schedule.

9. **Noise**: The applicant agrees that there should not be any bands walking the streets late at night and no vendors should be selling or playing tapes or CDs that are not related to the theme of the feast. The applicant further agrees that all music/radio stations should have sound permits and should comply with the regulations of those permits.

10. **Walkways**: The applicant agrees to mark (with tape or chalk or paint) the sidewalk for unobstructed passageways to the entrance of buildings.
