November 30, 2009

Margaret Forgione
Manhattan Boro. Commissioner
NYC Dept. of Transportation
59 Maiden Lane, 35th Floor
New York, NY 10038

Dear Manhattan Borough Commissioner Forgione:

At its Full Board meeting November, 19, 2009, Community Board #2, Manhattan, adopted the following resolution:

Resolution in support of day lighting the south side of Grove St. just east of the Bleecker & Grove Sts. intersection by installing “No Standing Anytime” regulations.

Whereas Grove St. between Bleecker St. and 7th Ave. is exceptionally narrow, with a street bed measuring only 23 ½ feet across, including a travel lane and 2 parking lanes, constricting movement of vehicles larger than average-size cars; and

Whereas FDNY reports that emergency vehicles have difficulty getting through on this block, and neighbors assert that garbage trucks and ambulances sometimes have to back up, and there’s constant horn honking nightly; and

Whereas vehicular turning movements into Grove St. east from Bleecker St. are severely impeded;

Therefore Be It Resolved that Community Board No. 2 Manhattan requests that the south side of Grove St. just east of the Bleecker & Grove Sts. intersection be day lighted by installing “No Standing Anytime” regulations for two car lengths.

Vote: Unanimous, with 36 Board members in favor.

Please advise us of any decision or action taken in response of this resolution.

Sincerely,

Jo Hamilton, Chair
Community Board #2, Manhattan

Shirley Secunda, Chair
Traffic & Transportation Committee
Community Board #2, Manhattan

JH/gh
