THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **APPROVAL** of this application for a RENEWAL App. for revocable consent to operate an Unenclosed sidewalk café for **Pepe’s Rest. Group, LLC d/b/a Las Ramblas, 170 W. 4th St. with 2 tables & 4 seats, DCA# 1221449**

VOTE: Passed, with 41 Board members in favor and 1 recusal-(Sanz).

New App. for revocable consent to operate an Unenclosed sidewalk café for:

3. Juicerie LLC, d/b/a Juicerie, 19 Kenmare St. with 20 tables & 40 seats, DCA# 1437537

Block:478 Lot:12	Lot Frontage:20' Lot Depth:99

Whereas, the area was posted, community groups notified and there were several community members present regarding this application, and the applicant, Heather Tierney and her representative, Steve Wygoda, were present, and

Whereas, the café is proposed for a sidewalk of approximately 18’ 9” width with no applicable obstructions, and the applicant’s business occupies a space within the building of approximately 38’ frontage, and

Whereas, the applicant stated the establishment will be a juice and health-food restaurant with approximately 20 indoor seats, plans to have an SLA wine and beer license, and plans to operate 8:00 am – 10:00 pm Mon-Thur and 8:00 am – 11:00 pm Fri-Sat, and

Whereas, the applicant was given a copy of CB2 Sidewalk Café Guidelines and reminded the café is not to be opened on Sunday until noon, and

Whereas, the committee reminded the applicant that establishments with any SLA license must provide full wait service to a sidewalk café and the applicant committed to doing so, although this did not appear to be in the applicants initial intentions, and

Whereas, this applicant was recently denied by CB2 for its application for an SLA Beer and Wine license due to this location never previously being licensed by the SLA, concerns over issues at other establishments operated by this applicant, and the lack of a valid DOB Certificate of Occupancy and Public Assembly Permit for the premises, and

Whereas, the applicant intends to return to the CB2 SLA committee in September with a request for a Letter of No Objection to their application for the Beer and Wine license with the stipulation that the applicant will waive any right to apply for a full On Premise license, and

Whereas, the applicant presented a petition in support of this application with approximately 60 signatures, and members of the community presented a petition with 60 or more signatures in opposition, and

Whereas, members of the community expressed concerns about the dangerous traffic conditions at this corner, which is a primary route across town from the Williamsburg Bridge and the proliferation of sidewalk cafes in this area, and doubts about the business model of this operation, and

Whereas, given the smaller size of the indoor seating and in order to ensure the corner is kept clear and the café set up properly, the applicant agreed to voluntarily reduce the seating to 15 tables and 30 seats, by:

- removing all seating (4 tables, 8 seats) west of the corner of the Kenmare St façade and the east edge of the entry stoop
- removing 1 table and 2 seats at the east end of the café, thereby maintaining a service aisle for the full length of the café
- reducing all 4-seat pairs to 2-seat tables,

leaving 5 sets of tables with each set consisting of 1 table/2 seats on either side of the service aisle,

Whereas the community doesn't support sidewalk cafes on Kenmare Street

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **Denial** of this application for a NEW App. for revocable consent to operate an Unenclosed sidewalk café for **Juicerie LLC, d/b/a Juicerie, 19 Kenmare St. with 20 tables & 40 seats, DCA# 1437537**

Not CONDITIONAL UPON the café seating being reduced to 10 tables and 20 seats as noted in Whereas clause 10

vote. Passed, with 20 Board members in favor, 13 against (Paul, Ma, DeH, Woodward, Kelly, Sanz, Collins, Dawson, Schott, Morellet, Diether, Brandt, Schlazer, Bray, Hearn) and 4 abstain- (Aaron, Secunda, Young, Schwartz)

4. **430 LLC, d/b/a The Goodwin, 430 Hudson St. with 6 tables & 12 seats, DCA# 1437677**

Zoning:C1-6

Historic District: Greenwich Village

Whereas, the area was posted, community groups notified and there was one community member present regarding this application, and the applicant, Richard Wise, was present, and

Whereas, the café is proposed for a sidewalk of approximately 18' 3" width to the bay windows with the only applicable obstruction being a Siamese connection near the north corner of the facade, and

Whereas, the applicant stated the establishment is a full-service restaurant with an SLA full On Premise license, and plans to operate 8:00 am – 11:00 pm Mon-Wed and 8:00 am – 2:00 am Thurs-Sat, and

Whereas, the applicant was given a copy of CB2 Sidewalk Café Guidelines and reminded the café is not to be opened on Sunday until noon, and

Whereas, the committee reminded the applicant that establishments with any SLA license must provide full wait service to a sidewalk café and the applicant committed to doing so, and

Whereas, the committee received three emails opposing the café and one email supporting it, and

Whereas, the plan presented did not properly allow 3' clearance for the Siamese connection and made use of two benches which CB2 does not support, and the applicant agreed to replace the benches with regular seats to maintain the required clearance to the Siamese connection by voluntarily reducing the seating to 5 tables and 10 seats, by having three 2-seat tables on the south side of the entrance and two 2-seat tables on the north side of the entrance – all oriented parallel to the façade – with the space in front of the Siamese connection remaining empty and the entrance path serving as the required service aisle, and

Whereas, the plan also showed a sidewalk width of 19' 3", but that is reduced by the 1 foot extension of the bay front of the building which means the café depth must be reduced to 9' (a reduction of 3") so the café uses no more than half the available sidewalk width and this should be incorporated in the new plan, but will not affect the seating as agreed to in the previous Whereas clause,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **APPROVAL** of this application for a NEW App. for revocable consent to operate an Unenclosed sidewalk café for 430 LLC, d/b/a The Goodwin, 430 Hudson St. with 6 tables & 12 seats, DCA# 1437677

CONDITIONAL UPON the café seating being reduced to 5 tables and 10 seats as noted in Whereas clause 7

Jonathan Mintz, Commissioner
NYC Department of Consumer Affairs

New York, NY 10004

Dear Commissioner Mintz:

At its Full Board Committee meeting on September 20, 2012, Community Board #2, Manhattan adopted the following resolution:

App. to DCA for revocable consent for newsstand:

Newsstand northeast corner of Lafayette St. & E. Houston St.

Whereas, the area was posted, community groups notified and there were several community members present regarding this application, and the applicant, Orzun Karmoker, was present, and

Whereas, the application is for a newsstand of 5' x 12' in front of a retail store at 315 Lafayette St near its northeast corner with E. Houston St on a sidewalk of 16'2" width leaving 9'8" of clearpath, just over the minimum 9'6" required, and

Whereas, some members of the committee felt this was a sufficiently wide sidewalk to allow for the newsstand, the majority felt this was a busy sidewalk and there was no particular need for a newsstand at this location, and

Whereas, both residents and businesses on this block have endured 5 years of construction of the sidewalk that virtually cut off their businesses from customers while the MTA expanded the connection between the Broadway/Lafayette and Bleecker St subway stations, and the majority of the committee felt limiting visibility of businesses on the block with a newsstand is unacceptable, and

Whereas, the majority also feel the addition of a newsstand at this location will only serve as an encouragement to mobile vendor to set up shop, expanding onto a new block the already untenable vendor situation that has for too long existed just south in Soho,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **DENIAL** of this application for a **NEWSSTAND** at the **Northeast corner of Lafayette St. & E. Houston St, DCA# 1440554**

VOTE: Unanimous, with 42 Board members in favor.

Renewal App. for revocable consent to operate an Unenclosed sidewalk cafe for:

- 1. Wogie's Inc. d/b/a Wogie's, 39 Greenwich Ave. (NW corner Charles St.), with 16 tables and 32 seats, DCA# 1160623**

Number of Buildings:1; Number of Floors:5

Zoning:C1-6

Historic District: Greenwich Village

Whereas, the area was posted, community groups notified and there were no community members present regarding this application, and the applicant's representative, Michael Kelly, was present, and

Whereas, CB2 has noted this establishment consistently violates their approved plans by adding additional seats to the Charles St. side of the café, and regardless the number of seats used, the café almost always takes up more than ½ of this narrow sidewalk on a residential street, and

Whereas, the establishment has been warned before by CB2 to cease mis-seating the Charles St. side of the café and was cited by DCA on 5/5/12 for overuse of the Charles St. sidewalk as noted above, and it is the committee's opinion the operator intends to continue violating its license whenever desired, and

Whereas, the approved plan was dependent on service to the Charles St. side being done from the main entrance on Greenwich Ave, but the committee has observed most service to that side being done from the back door on Charles St. using the public sidewalk, outside the already illegally expanded café depth,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **DENIAL** of this application for a **RENEWAL App. for revocable consent to operate an Unenclosed sidewalk café for Wogie's Inc. d/b/a Wogie's, 39 Greenwich Ave. (NW corner Charles St.), with 16 tables and 32 seats, DCA# 1160623**

UNLESS the seating on the Charles St. side of the café is eliminated and seating and service is allowed only on Greenwich Ave.

VOTE: Passed, with 41 Board members in favor and 1 against-(Diether)

- 2. Pasta Bistro Grill, d/b/a Bistro Grill, 93 Macdougall St. (NW corner Bleecker St.), with 5 tables & 10 seats, DCA# 1311319**

Zoning:R7-2 ; Commercial Overlay:C1-5

Whereas, the area was posted, community groups notified and there were no community members present regarding this application, and the applicant's representative, Michael Kelly, was present, and

Whereas, CB2 has noted this establishment consistently violates their license by setting up the tables and chairs in violation of their approved plans which leaves substantially less public sidewalk than allowed, and

Whereas, CB2 notes that the issues with seating are exacerbated by multiple signs standing in the area that is supposed to be service aisle for the café with multiple additional signs hung on the façade. CB2 noted at least 6 signs used in or immediately adjacent to the café, and

Whereas, the establishment was warned by CB2 at its previous renewal to cease mis-seating the café and was subsequently cited by DCA on 5/5/12 for overuse of the sidewalk in addition for having too many tables and chairs in the café, and

Whereas, even after being cited by DCA, the operator continues to violate their license in the same way and the committee sees no willingness on the part of the operator to cure these conditions,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **DENIAL** of this application for a RENEWAL App. for revocable consent to operate an Unenclosed sidewalk café for **Pasta Bistro Grill, d/b/a Bistro Grill, 93 Macdougall St. (NW corner Bleecker St.), with 5 tables & 10 seats, DCA# 1311319**

VOTE: Unanimous, with 42 Board members in favor.

Whereas, CB2 has noted this establishment consistently violates their license by setting up the tables and chairs in violation of their approved plans which leaves substantially less public sidewalk than allowed, and

Whereas, the establishment was warned by CB2 at its previous renewal to cease mis-seating the café and was subsequently cited by DCA on 4/26/12 for overuse of the sidewalk in addition for having too many tables and chairs in the café, and

Whereas, even after being cited by DCA, the operator continues to violate their license in the same way and the committee sees no willingness on the part of the operator to cure these conditions,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **DENIAL** of this application for a RENEWAL App. for revocable consent to operate an

Whereas, CB2 has noted this establishment consistently violates their license by setting up the tables and chairs in violation of their approved plans which leaves substantially less public sidewalk than allowed, and

Whereas, the establishment was cited by DCA on 6/14/12 for operating outside their approved perimeter and the committee pointed out to the applicant that proper operation of the café is dependent on service occurring from most of the doors in the restaurant, but it is now being done from only two which requires wait staff to use the public sidewalk to reach most of the tables, and

Whereas, even after being cited by DCA, the operator continues to violate their license in the same way but the applicant assured the committee that service would be reestablished from the other doors as needed,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **DENIAL** of this application for a RENEWAL App. for revocable consent to operate an Unenclosed sidewalk café for **Grotta Azzurra Inn Inc. d/b/a Grotta Azzurra, 177 Mulberry St. (SW corner Broome St), with 20 tables & 40 seats, DCA# 1150943**

VOTE: Passed, with 41 Board members in favor and 1 against-(Diether)

Whereas, the area was posted, community groups notified and there was one community member present regarding this application, and the applicant's representative, Michael Kelly, was present, and

Whereas, this café has been operated for two years by this applicant with few known issues and the one community member present supported the continued operation of the cafe, and

Whereas, the CB2 office has received a few complaints about groups of patrons which often completely block the sidewalk, and

Whereas, when a member of the committee measured the sidewalk there was only 6'8" clearance between the traffic signal pole (with pedestrian signal) and the café, substantially less than the required 9 feet, and

Whereas, it also appears the location of the traffic signal pole and the fire hydrant were mis-drawn on the approved plan resulting in the café depth not allowing for the required sidewalk clear path,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **DENIAL** of this application for a RENEWAL App. for revocable consent to operate an Unenclosed sidewalk café for **Cerli Inc. d/b/a Mole, 57 Jane St. (NE corner Hudson St.) with 7 tables & 16 seats, DCA# 1343516**

UNLESS the applicant provide DCA with a plan which shows the correct locations of the traffic signal pole and fire hydrant and reduces the café depth to provide the legal minimum clear path between the café and the traffic signal pole which is the nearest obstruction

VOTE: Unanimous, with 42 Board members in favor.

Whereas, this café has been operated for several years by this applicant with few known issues, and

Whereas, the committee noted that on a recent inspection visit service was occasionally occurring outside the café perimeter and the applicant committed to instructing the staff to cease doing so,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **APPROVAL** of this application for a RENEWAL App. for revocable consent to operate an Unenclosed sidewalk café for **Feenjon Corp. d/b/a Panchitos, 103-105 Macdougall St. (btw Bleecker St. & Minetta Ln.), with 12 tables & 27 seats, DCA# 085569**

Whereas, the area was posted, community groups notified and there were no community members present regarding this application, and the applicant’s representative, Michael Kelly, was present, and

Whereas, this café has been operated for several years by this applicant with consistent issues with over-seating and blocking the sidewalk with multiple sandwich board signs, and

Whereas, the committee noted on more than one recent inspection the café had 50% more tables (12 tables & 24 seats) than it is approved for, including 2 tables and 4 seats additional in the approved Bleecker St section, 2 tables and 4 seats at the corner of the building which are not in the approved plan, and seating completely blocking the ADA ramp on the Thompson St. side, and

Whereas, the committee now feels that despite multiple warnings from CB2 and citations from DCA, the applicant has no interest in addressing the issues with this café in any meaningful way,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan **STRONGLY** recommends **DENIAL** of this application for a RENEWAL App. for revocable consent to operate an Unenclosed sidewalk café for **151 Bleecker LLC d/b/a Red Lion, 151 Bleecker St. (NE corner Thompson St.), with 8 tables & 18 seats, DCA# 1348223**

VOTE: Unanimous, with 42 Board members in favor.

Whereas, the area was posted, community groups notified and there were no community members present regarding this application, and the applicant’s General Manager, Steve Cervino, was present, and

Whereas, this café has been operated for several years by a previous applicant who assigned the café license to the new operator several months ago, and

Whereas, the committee noted on a recent inspection that the café was originally approved with part of its service aisle on the Macdougall St side overlapping a transformer vault where a 3' clearance is required, and

Whereas, the same area of the café does not provide the required 3' clearance from a fire escape drop ladder, and

Whereas, the tables on the Macdougall St side should consist of the current most southerly 5 tables & 10 seats which would be served from the south door, a break of roughly 15' for drop ladder and transformer vault clearance, and the current northernmost 1 table & 2 chairs served from the front door, and

Whereas, this would reduce the café by the 3 tables & 6 seats currently occupying the area on Macdougall St adjacent to the drop ladder and overlapping the transformer vault, and

Whereas, the applicant is moderately mis-seating the Bleecker St side essentially as four 4-seat tables where it should be three 4-seat tables and two 2-seat tables in order to maintain a 3' service aisle and 8' clear path at the corner where the sidewalk is slightly more narrow,

THEREFORE BE IT RESOLVED that Community Board 2 Manhattan recommends **APPROVAL** of this application for a RENEWAL App. for revocable consent to operate an Unenclosed sidewalk café for **Tobsk LLC, d/b/a McCoy, 89 Macdougall St. (SW corner Bleecker St.), with 17 tables & 34 seats, DCA# 1432085**

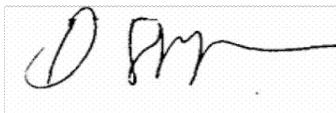

CONDITIONAL UPON

- **the applicant providing DCA with an updated plan reducing the seating to 14 tables & 28 seats as noted in Whereas clauses 5 and 6**
- **the applicant returns the Bleecker St seating to the configuration on the approved plan**
