Dear Friends,

How would you spend \$1 million dollars in your community? Would you build a new park? Would you purchase new playground equipment for your local park? Would you fund a composting center? Maybe there's a notoriously bad intersection in your neighborhood and you have a great idea to make it safer for pedestrians.

From April 11-19, you decide!

Over the last several months, your neighbors have been working hard on developing ideas into actual proposals you can vote for next month -- and \$1 million dollars is on the table! Anyone who lives in the 3rd Council District and is at least 14 years old can vote for their favorite 5 projects.

Before the vote, please join me and your neighbors at the [Project Expo](#) on **Tuesday, March 24 at the Andrew Heiskell Braille and Talking Book Library at 40 West 20th Street at 6:30 PM**. At the Expo, volunteer Budget Delegates will share with you what projects you can vote for on this year's ballot. More details about the Expo are below.

This is the first time that residents of Council District 3 have been able to participate in participatory budgeting, and I am proud to be a part of this historic movement to give residents a greater say in how their tax dollars are spent in the community. I encourage you to come out, get involved and vote for your favorite projects next month. You can even text "VOTE" to 212-675-8384 and find out where your closest poll site is!

I hope you will join the movement to reinvent how government works, and I look forward to seeing you at the Project Expo on Tuesday, March 24.

Please don't forget to [RSVP](#). Thank you!

My best,
