Stonewall as a National Park Site, A Discussion

Hosted by the National Parks Conservation Association

Tuesday, June 23rd, 2015, 7pm

Please join NPCA to discuss the possibility of including the Stonewall Inn and Christopher Park as a unit of the National Park Service (NPS). As the site of the 1969 uprising that led to the start of the modern LGBT movement in America, Stonewall has come to symbolize the historic struggle for LGBT civil rights across the globe. We believe this site, and its history, needs to be protected.

As NPCA continues to advocate for elevated NPS status for the Stonewall Inn, we want to hear from you about other historic LGBT sites in this area, your feedback on our campaign plan, and what a potential LGBT historical unit of the NPS could look like.

Meeting Location:

NYC LGBT Community Center, Lerner Auditorium (Room 301)

208 W 13 Street New York, NY 10011
