

COMMUNITY ADVISORY NOTICE

9TH AVENUE/GANSEVOORT RECONSTRUCTION

PROJECT ID: HWMP2020

Borough: Manhattan

April 29, 2016

TEST WATER MAIN SERVICE INTERRUPTION

ON WEDNESDAY, May 04, 2016 - 2AM TO 6AM

**** EARLY MORNING ****

***** 72-Hour Notice *****

LOCATION(S) AFFECTED:

- Gansevoort Street/ Plaza Area between Hudson Street and Washington Street
- 9TH Avenue from Little West 12TH Street to Greenwich Street
- Greenwich Street between Gansevoort Street and Horatio Street

WHY IS MY WATER BEING TURNED OFF?

On Wednesday, May 04, 2016, NYC DDC and DEP will be conducting a test water main shutdown of the afore-mentioned locations. This test water shutdown is to ensure all valves are in working condition prior to the water main replacement water service interruption which will be scheduled for a later date. Buildings within those limits should be the only properties affected. You will receive a 24hr notice confirming or cancelling this water service interruption or changes to affected locations.

If you are uncertain where your water service connection enters your building and/or establishment, please inquire with your Landlord (Super, Property Manager, Plumber etc.). All construction activities are weather and field conditions permitting. You will receive updated information as the operation start date approaches and more information becomes available.

SOME THINGS TO REMEMBER:

- DDC recommends that a qualified person shut off the water main "house" valve in your house/building in order to avoid sediment entering your building's system, which is common with this type of operation.
- You are asked to shut off all WATER-COOLED appliances, which may include air conditioners, etc.
- Once water service is restored, turn the main house valve back on and flush the system by running your faucets to sinks and tubs for a few minutes.

WHO CAN I CONTACT FOR MORE INFORMATION?

- Please contact Venicia Villafana, the Community Construction Liaison (CCL) at (646) 964-5127 or email 9thavegansevoortccl@gmail.com
- Visit the NYCDDC website at www.nyc.gov/webuild or watch our video at www.nyc.gov/webuildthecity
- During non-construction hours, please contact the New York City Government Services and Information Hotline 311.
