

COMMUNITY ADVISORY NOTICE UPDATE

WATER MAIN CONNECTION AT WASHINGTON SQUARE PARK PROJECT # MED608

Borough: Manhattan

September 15th, 2015

DDC BEGINS WATER MAIN WORK AT WASHINGTON SQUARE PARK

On Washington Square South/West 4th St. between Thompson St. and Broadway

Washington Square East between West 4th St. and Waverly Place

Washington Square North between 5th Avenue and University Place

5th Avenue between Washington Square North and Washington Mews

Please be advised that on or around September 21st, 2015, The New York City Department of Design and Construction (NYCDDC) will begin an approximately three year water main connection project at Washington Square Park, ***weather and field conditions permitting***. The purpose of this project is to replace water main connections at Washington Square Park. It will also involve catch basins, chute connections, Con-Edison gas work, curbs and sidewalk restoration, concrete base/asphalt roadway restoration and traffic work. It will also include amenities such as traffic and street lighting.

WHERE WILL WORK BE PERFORMED?

Work will be performed on:

- Washington Square South/West 4th St. between Thompson St. and Broadway
- Washington Square East between West 4th St. and Waverly Place
- Washington Square North between 5th Avenue and University Place
- 5th Avenue between Washington Square North and Washington Mews

WHAT ARE THE COMMUNITY IMPACTS?

DDC is committed to maintaining a work site that is safe and clean. However, dust, noise and heavy equipment are common elements of construction and we ask for your patience during the project. In order to facilitate the construction, there may be limited street access on certain blocks. However, deliveries to commercial/residential properties and emergency vehicle access will be allowed. Please contact the Community Construction Liaison to coordinate.

• Pedestrian Access/ Parking

- Pedestrian access will be maintained at all times
- Street closures/traffic detours may include partial closures and/or limited access of intersections and streets. Signs will be posted
- Vehicular access may be restricted on certain streets in certain locations
- Parking will be temporarily restricted so construction may proceed. Signs will be posted where necessary
- Driveways/loading dock access may be temporarily restricted

• Public Transportation

- Bus stops and/or bus routes may be relocated during the course of construction. Signs and directions will be posted noting the changes in advance.

CONTINUED-PAGE 2

- **Water Service Interruptions**

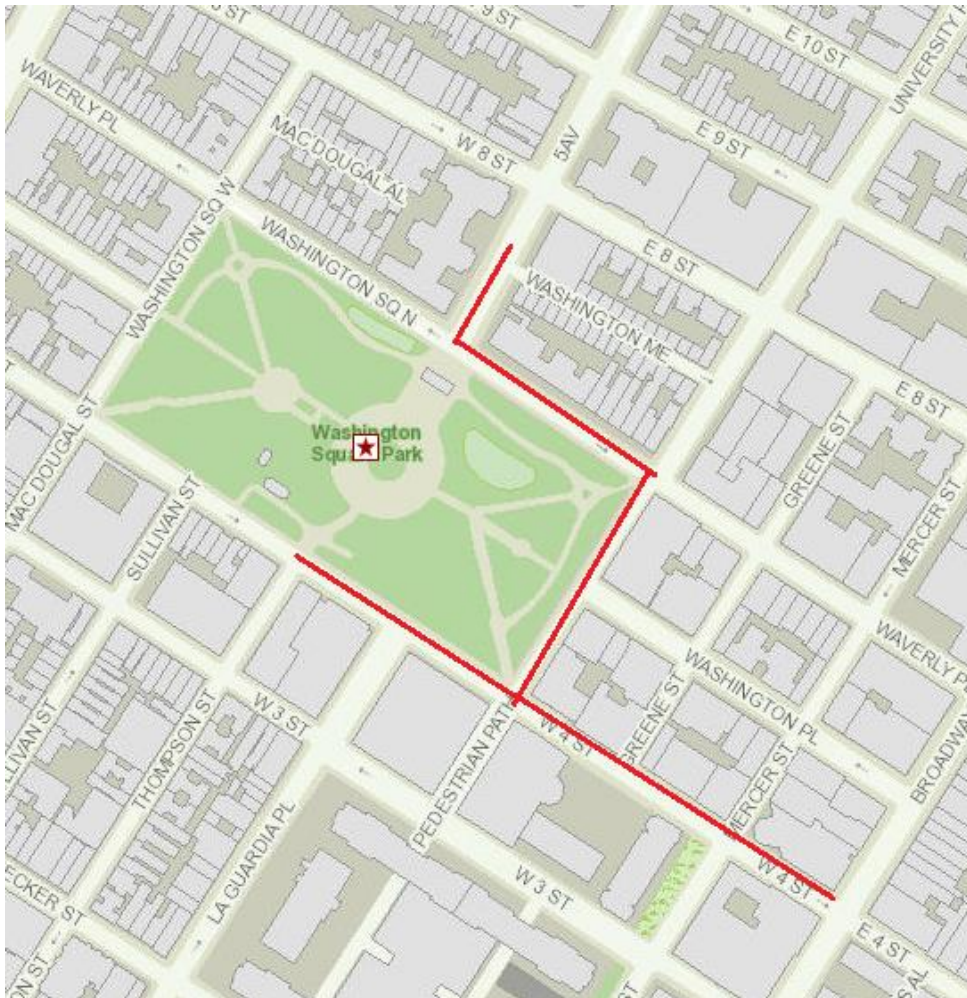

- A 72-hour e-mail notice will be provided throughout the affected project area along with instructions on how to prepare for the water service interruption. A 24-hour confirmation/cancellation will follow and will be distributed/posted to any/all affected location(s).

WHAT ARE THE WORK HOURS?

Allowable work hours are Monday through Friday 7:00am to 4:00pm. Advanced notification will be given if construction is necessary on Saturday, Sunday, or nighttime hours.

WHO TO CONTACT FOR MORE INFORMATION OR CONCERNS?

- Please contact **Ms. Bridget Klebaur, Community Construction Liaison (CCL)** by E-mail at: WashingtonSqPkCCL@gmail.com
- During non-construction hours, please contact the New York City Government Services and Information Hotline at 311 and mention Project ID# **MED608**

We appreciate your cooperation and thank you for your patience while we rebuild NYC's infrastructure
