DDC STARTS RECONSTRUCTION OF 9TH AVENUE/GANSEVOORT AREA

START DATE: ON/ABOUT June 01, 2015

INSTALLATION OF CATCH BASINS AND CONNECTIONS
REPLACEMENT OF EXISTING 12" DISTRIBUTION WATER MAIN (SECTIONS)
CONSTRUCTION OF CURBS AND SIDEWALK
CONSTRUCTION OF NEW MALLS AND PUBLIC AREAS
CONSTRUCTION OF ROADWAY PAVEMENT
INSTALLATION OF TRAFFIC SIGNAL AND STREET LIGHTING

On or about June 01, 2015, City of New York Department of Design and Construction (DDC) will begin a construction project to reconstruct the 9th Avenue/Gansevoort area. This project has an anticipated completion date of Summer 2017.

WHERE WILL WORK BE PERFORMED?

Work will be performed in various locations within the meatpacking district:

- 9th Avenue from Gansevoort Street to West 16th Street
- Hudson Street from West 13th Street to West 14th Street
- Gansevoort Street between Hudson Street and 9th Avenue
- West 13th Street between Hudson Street and 9th Avenue
- Including all intersections

WHAT WORK WILL BE DONE?

Work scheduled on this project includes improvement to drainage systems, replacement of sections of existing 12" distribution water main, installation of catch basins, traffic signal and street lighting. Also, construction of new pedestrian malls and public areas as well as planting and landscaping. Weekly updates will be provide stating locations and activities to be performed during the course of the project.

WHAT ARE THE COMMUNITY IMPACTS?

The DDC is committed to maintaining a work site that is safe and clean. However, dust, noise and heavy equipment are common elements of construction and we ask for your patience during the project. There may be limited street access on certain blocks. However, deliveries to commercial and residential properties and emergency vehicle access will be allowed and coordinated. In addition, the DDC will be baiting the construction zone on a regular basis to control rodent populations.

Water Service Interruptions

During the course of this project, temporary water service disruptions will be necessary in order to replace the water mains. If it is necessary for DDC to turn off your water service, you will receive written notification 72hrs and 24hrs prior to interruption. Water service will be restored everyday by 4pm. If additional shut downs are required you will receive a new notice daily until work is completed.

Pedestrian / Traffic

- Pedestrian access to buildings will be maintained at all times.
- Street closures may be required. Warning signs will be posted in advance.
- Driveway access may be temporarily interrupted in order to complete construction.

Public transportation

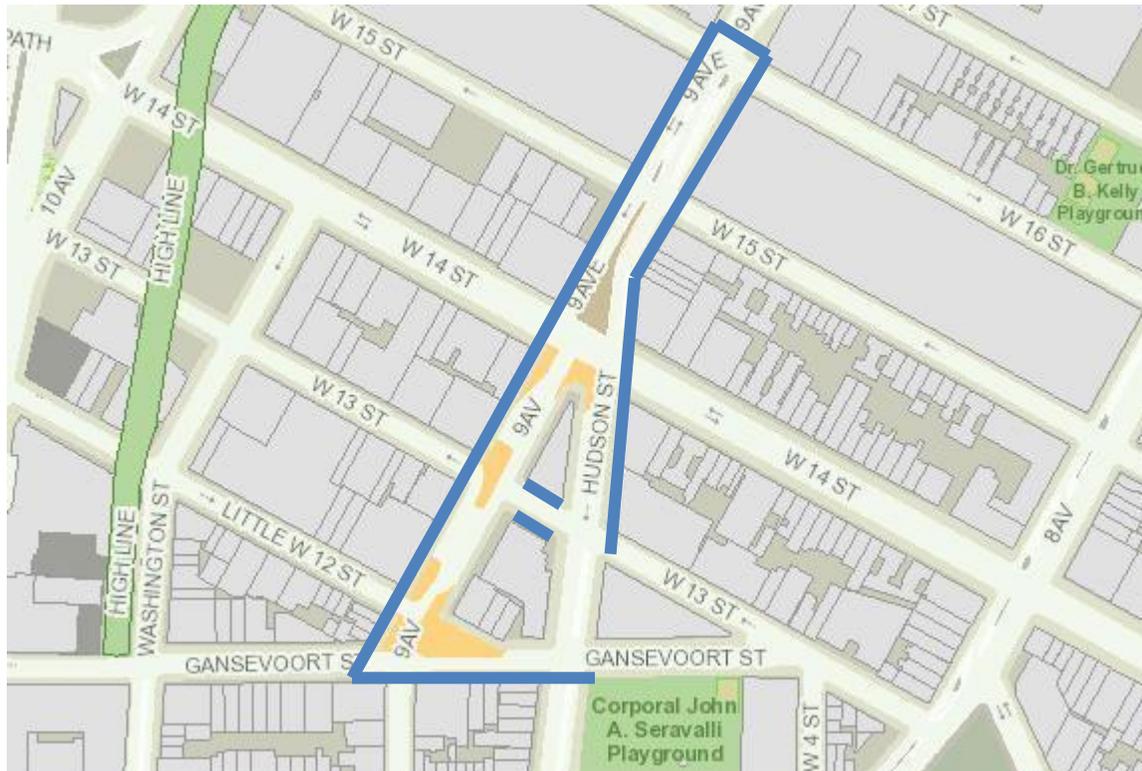

- Bus stops and/or bus routes may be relocated/detoured during the course of this construction. Signs and directions will be posted noting the changes.

WHAT ARE THE HOURS OF WORK?

Typical work hours will be Monday-Friday from 7:00 am to 4:00 pm.
