## 9TH AVENUE/GANSEVOORT RECONSTRUCTION

PROJECT ID: HWMP2020

Borough: Manhattan

July 30, 2015

## TEST SHUTOFF - WATER SERVICE INTERRUPTION (Early Morning)

TUESDAY, AUGUST 04, 2015

72 Hour Notice

**FROM 2:00 AM UNTIL 4:00 AM**

### LOCATION(S) AFFECTED:

South Side of West 14<sup>th</sup> Street from 9<sup>th</sup> Avenue to 10<sup>th</sup> Avenue

### WHY IS MY WATER BEING TURNED OFF?

NYC DDC and NYC DEP will be conducting a Test Water Shutdown on the South Side of West 14<sup>th</sup> Street from the intersection of 9<sup>th</sup> Avenue to 10<sup>th</sup> Avenue. This shutdown is scheduled to determine working valve locations and connections. Buildings within the afore-mentioned limit should be the only properties affected. **The north side of the street should not be affected. However, we cannot confirm nor guarantee this will be the case. You are advised to prepare for the shutdown accordingly.** You will receive a 24hr notice confirming or cancelling this water service interruption. All construction activities are weather and field conditions permitting.

### SOME THINGS TO REMEMBER:

- DDC recommends that a qualified person shut off the water main "house" valve in your house/building in order to avoid sediment entering your building's system, which is common with this type of operation.
- You are asked to shut off all WATER-COOLED appliances, which may include air conditioners, etc.
- Once water service is restored, turn the main house valve back on and flush the system by running your faucets to sinks and tubs for a few minutes.

### WHO CAN I CONTACT FOR MORE INFORMATION?

- Please contact Venicia Villafana, the Community Construction Liaison (CCL) at (646) 964-5127 or email [9thavegansevoortccl@gmail.com](mailto:9thavegansevoortccl@gmail.com)
- Visit the NYCDDC website at [www.nyc.gov/webuild](http://www.nyc.gov/webuild) or watch our video at [www.nyc.gov/webuildthecity](http://www.nyc.gov/webuildthecity)
