RECONSTRUCTION OF 9TH AVENUE/GANSEVOORT STREET AREA

9TH Avenue between West 16TH Street to Gansevoort Street

Project # HWMP2020

The New York City Department of Design and Construction (NYCDDC) is managing the reconstruction of 9TH Avenue/Gansevoort Street area in the Meatpacking District section of Manhattan. This reconstruction involves amenities including: tree planting, plaza reconstruction and decorative paving. It also includes replacement of distribution water mains (sections), construction of catch basins and chute connections, roadway, curbs and sidewalk. This project has an anticipated completion date of Summer 2017.

Work In Progress Spring 2016

1. Con Edison Facilities Upgrade (Gas and Electric)
2. Installation of Catch Basins and Chute Connections
3. Distribution Water Main Replacement (Gansevoort Street and also West 13th Street)
4. ECS Utility Relocation

Proposed Work Schedule Summer 2016

Daytime work operations include:

1. Continued Con Edison Facilities Upgrade (Gas and Electric)
2. Continued Installation of Catch Basins and Chute Connections
3. Continued Distribution Water Main Replacement (Gansevoort Street and also West 13th Street)
4. Continued ECS Utility Relocation

Water Service Interruption

During the course of the project there will be service interruptions. To allow water replacement, the existing water service must be shut off by closing the valves at either end of the section. Advance notice will be given for all planned interruptions. Water service will be restored at the end of the day.

Community Construction Liaison (CCL)

The DDC has assigned Venicia Villafana of Muñoz Engineering, as the Community Construction Liaison (CCL) for this project. Please contact Venicia for any project related inquiries/concerns you may have:

Phone: 646-964-5127

Email: 9thavegansevoortccl@gmail.com

Field Office: 407 West 14th Street, New York, NY 10014

Newsletter Distribution

Construction Newsletters for this project are distributed regularly within the project area and to Community Boards #2 & #4- Manhattan.
