
COMMUNITY ADVISORY NOTICE

INSTALLATION OF TRUNK WATER MAIN ON GRAND STREET PROJECT # MED 609(606)

Borough: Manhattan

September 19, 2014

Curbside Parking and Loading/Unloading Restricted Roadway Milling and Resurfacing

Grand St, Broadway to Lafayette St (Including Intersections)
Scheduled for: Tuesday, September 23, 2014

Please be advised beginning on/about Tuesday, September 23, 2014, from 7:00am to approximately 5:00pm (***weather and field conditions permitting***), access to loading docks and curbside parking will be restricted along Grand Street from Broadway intersection through Lafayette Street. These impacts are associated with the scheduled roadway asphalt work, performed by the New York City Department of Design and Construction (DDC). This is a mobile operation with work from Broadway to Lafayette St. (including all the intersections.) This operation is scheduled for 1 **day** from 7am to approximately 5pm. During work hours, vehicular traffic may experience intermittent delays. Flaggers will be on site during working hours to aid with pedestrian and motorist safety.

COMMUNITY IMPACTS:

- Vehicular traffic may experience intermittent delays during work hours scheduled from 7am to approximately 5pm.
- Parking restrictions will be in effect.
- Emergency vehicle access will be maintained.
- If you have a scheduled delivery, please contact this office to determine whether it can be accommodated.
- Pedestrian access will be maintained at all time.

If you have any questions, concerns, or would like to be added to the electronic Neighborhood Notification Network (NNN) list, **please contact the Community Construction Liaison (CCL) Ms. Nikita Sin** at (646) 412-3502 or e-mail grandstccl@gmail.com During non-construction hours, please contact the NYC Government Services and Information Hotline 3-1-1.

We appreciate your cooperation and thank you for your patience while we rebuild NYC's infrastructure.
