No Weekend Work for Saturday March 22, 2014

MONDAY, MARCH 24, 2014-FRIDAY, MARCH 28, 2014:

Operation #1 Continue with excavations and installation of Distribution Water Main

Location: West 10th Street from Bleecker Street–West 4th Street

Operation #2 Trench Excavation and Backfill & Utility Work

Location: West 10th Street from Bleecker Street–7th Avenue South

Operation #3 Intermittent Street closures during certain operations

Location: West 10th Street from Bleecker Street-7th Avenue South

Possible weekend work: Saturday, March 29, 2014

Operation: Saw cutting of roadway & excavation

Location: Intersection of 7th Avenue and West 10th Street

Community Impacts:

- Pedestrian access will be protected and maintained at all times.
- Vehicular access/partial lane closures may need to be temporarily restricted in order to facilitate construction. (Flag person will aid in facilitating vehicles)
- Dust, noise and heavy equipment are common elements of construction and we ask for your patience during the project.
- Certain operations will be noisy; DDC will monitor operations to assure that they are within DEP Noise Code Regulations.

Please Note:

1. This is a very active operation with the use of very heavy machinery and jackhammering.
2. The parking lane on the South side of West 10th Street will be eliminated between Bleecker and West 4th Street.
3. There may be relocation of bike paths in certain areas; however they will be maintained at all times
4. If an operation was not started/completed in the previous week, it will remain on the schedule until complete
5. Test pits and roadway maintenance will require the use of heavy machinery and jackhammering

Note: Due to unforeseen conditions it may become necessary to change some scheduled work locations and operations.
