MOBILE CPR TRAINING UNIT

WHAT IS FDNY CPR TRAINING?

The FDNY Mobile CPR Training Unit is designed and equipped to travel throughout New York City and provide CPR classes day or evening, at no cost, where groups or organizations meet. Staffed by FDNY EMT's who are certified AHA CPR Instructors providing New Yorkers with the skills needed to save a life. In approximately 25 minutes, this course will teach you compressions only cpr and how to use an automated external defibrillator. This course can be conducted in English or Spanish and is a skill based course designed specifically for the general public.

Knowing CPR (Cardio-Pulmonary Resuscitation)
can make a difference in saving a family member, friend, or co-worker's life.

ARE YOU PREPARED TO SAVE A LIFE?

- *Focus is on Adult CPR and the use of an automated external defibrillator*
- *Provided free of charge by FDNY Emergency Medical Technicians*
- *Includes active hands-on participation*
- *Training session does not provide Professional Certification*
- *Take home training DVD and key chain tag provided*
- *Training session provided in approximately 25 minutes*
