

Family Child Care (FCC) Recruitment Campaign

Join the Family Child Care (FCC) Initiative sponsored by NYU and coordinated by University Settlement (US), a well established provider of child development and child care services in Lower Manhattan.

The NYU/US FCC Initiative seeks to recruit, train, and support individuals interested in providing high quality, home-based child care services to NYU faculty, staff and students.

If you have the interest, dedication and commitment to provide child care services from your home, we will provide the following:

- Support in obtaining, completing and meeting licensing requirements
- All necessary and ongoing training for your professional growth
- Grants to purchase equipment and materials
- Support from an Early Childhood Teacher
- Referrals from NYU families seeking child care services
- Guidance, training and support in managing a profitable business
