INTRODUCTION

The District Resource Statement (DRS) is prepared annually by the Office of Management and Budget. Sections 2707 and 2708 of the New York City Charter require that agencies report to the City's 59 community boards expense budget and service information at the agency's service district level. The reporting levels vary by agency and by program. Service districts range from police precincts which can be smaller than community districts to multi-borough offices.

This edition of the DRS gives information for both FY 2016 and FY 2017. The current edition reports on agencies that deliver services directly to community districts and boroughs. These agencies manually generate the information in the DRS, except for the fiscal data which is provided by the Financial Information Services Agency. The agencies also provide performance indicators for a variety of services. An explanation of agency programs and performance indicators is included.

Personnel headcounts and corresponding fiscal data, equipment information, performance indicators, and contractual services are organized as follows:

- **Personnel Report** - FY 2016 headcounts and fiscal data are as of June 30, 2016. FY 2017 Adopted Budget data is as of the Budget Adoption in June.
- **Equipment Report** - Unless otherwise noted, FY 2016 information is as of June 30, 2016. FY 2017 information indicates proposed equipment levels.
- **Performance Report** - Once again, community boards will be able to compare select measures of agency

performance within their district to a borough-wide and/or citywide average of the agency's performance. Except where indicated, the performance figures are full year figures for FY 2016. Section 12(c)6 of the New York City Charter states that "for agencies with local service districts or programs within community districts and boroughs, the mayor's preliminary management report and management report insofar as practicable shall include schedules of agency service goals, performance measures and actual performance relative to goals for each such local service district or program." Indicator information in the DRS supplements the Mayor's Management Report by providing measures of performance at the local level. Totals for all the districts reporting in the DRS will be consistent with the citywide numbers reported in the MMR except where otherwise noted.

- **Contract Report** - Data on contractual services varies somewhat from program to program, but includes at least the time period of the contract, the cost of the contract, the kind of service provided and some measure of the service.

For each agency program, all pages for a particular local service district are grouped together in the following order: Personnel, Equipment, Performance, and Contract Reports. The Personnel Reports give a complete description of the service and the address of the local service district headquarters. The contract pages provide the names and addresses of vendors, and sometimes the location where the service is provided.

The District Resource Statement is useful to the community boards at all stages of the budget participation process. Community boards can use the DRS to monitor service delivery throughout the year. It provides a common data base which the agencies and community boards can use to discuss service delivery and to formulate specific budget requests. The Performance Reports can help the boards assess the quality of the service in relation to the resources which are deployed in or budgeted for the community district. By comparing this year's DRS with previous editions, community boards can also use the DRS to analyze trends in funding levels, resource allocation, and service delivery. Using the Mayor's Management Report, boards are able to compare service performance indicators in their district with citywide findings.

Caution must be used in interpreting the information contained in this document. Agencies often need to move personnel or equipment from one district to another or employ seasonal workers depending on the time of the year. These changes are not reflected in the DRS. A reduction in staffing levels does not necessarily signal a corresponding reduction in services. Where necessary agencies provide explanatory footnotes. Also, Financial Plan Savings are not reflected in the local district reports because these amounts are budgeted at the Unit of Appropriation level. It is not possible to predict the impact of financial savings on an individual service district level.

OMB publishes District Resource Statements for the following agencies:

- Department for the Aging
- Department of Buildings
- Department of Cultural Affairs
- Department of Small Business Services

Brooklyn
Public Library
FY 2016 – FY 2017

Welcome to Brooklyn Public Library (BPL), where every day we connect thousands of people to the resources and tools they need to achieve their goals.

Looking for a good book? BPL has over three million titles! You'll also enjoy exploring our collection of eBooks, eAudiobooks, digital music and online databases, accessible on our website 24 hours a day, 7 days a week with your library card.

For those who want to learn a new language, we offer English classes and world language instruction. We help children learn to read through our early literacy programs and achieve better grades through one-on-one homework help. We provide a gateway to technology to thousands of Brooklynites through our free wireless internet and 1,100 internet-accessible public computers. We help people learn new technology skills and connect jobseekers with resume and career help. We also host Pulitzer Prize-winning authors, world-renowned musicians and acclaimed visual and performing artists as part of our cultural and recreational programs.

Whether you want to learn a new skill, share ideas, or simply borrow the latest bestseller, you can *Start Here*, at BPL.

Mission

It is the mission of Brooklyn Public Library to ensure the preservation and transmission of society's knowledge, history and culture, and to provide the people of Brooklyn with free and open access to information for education, recreation and reference.

Vision

Brooklyn Public Library will be a vital center of knowledge for all, accessible 24 hours a day, and will be a leader in traditional and innovative library services which reflect the diverse and dynamic spirit of the people of Brooklyn.

BPL's Program Highlights

Adult Literacy Services

Adults learn to read, write, and use computer technology at our five Learning Centers located at Bedford, Central, Eastern Parkway, Flatbush and New Lots Libraries.

Book a Librarian

The Book a Librarian service allows you to reserve a free half hour session with a professional reference librarian at the Central Library or Business Library.

BookMatch

Need a reading recommendation? Complete the online BookMatch form and a BPL librarian will create customized reading list of five titles just for you.

Bookmobile

BPL operates four Bookmobiles, including a child-friendly Kidsmobile, which serve as mobile libraries. Each Bookmobile has enough space to house up to 6,000 books and visits parks, community centers and special events to bring library service on the road.

Brooklyn Collection

The Brooklyn Collection is BPL's local history division, providing a range of information and services about anything and everything Brooklyn.

Business & Career Center

Our Business & Career Center supports the needs of businesses and individuals by providing free access to business and investment resources as well as business and financial counseling.

English Classes

For new Americans and others whose first language is not English, the Library provides free ESOL materials, classes, and conversation groups.

IDNYC Enrollment Center

Customers can apply for their IDNYC municipal card at the Central Library.

Immigrant Services

BPL offers naturalization information at all 59 locations, multilingual family programming, citizenship preparation classes, one-on-one legal services for immigrants and Know Your Rights and Responsibilities workshops.

Inclusive Services

We provide unique programs for children and teens with or without disabilities in an environment where all children can relax, play, and have fun.

Jail and Prison Library Services

BPL offers jail-based library services for individuals in NYC Department of Corrections facilities and relevant programs for individuals and families affected by the justice system.

Passport Service

Customers can apply for a U.S. passport or passport card at Central and Kings Highway libraries, officially-designated passport application acceptance facilities.

Pre-HSE Preparation

Pre-HSE preparation courses are offered at several BPL branches, offering classes for Adults and Young Adults (17 to 24 years old).

Resume and Career Help

Get one-on-one resume help, education and career advice, interviewing prep, and more with help from a librarian or volunteer resume coach.

Shelby White and Leon Levy Information Commons

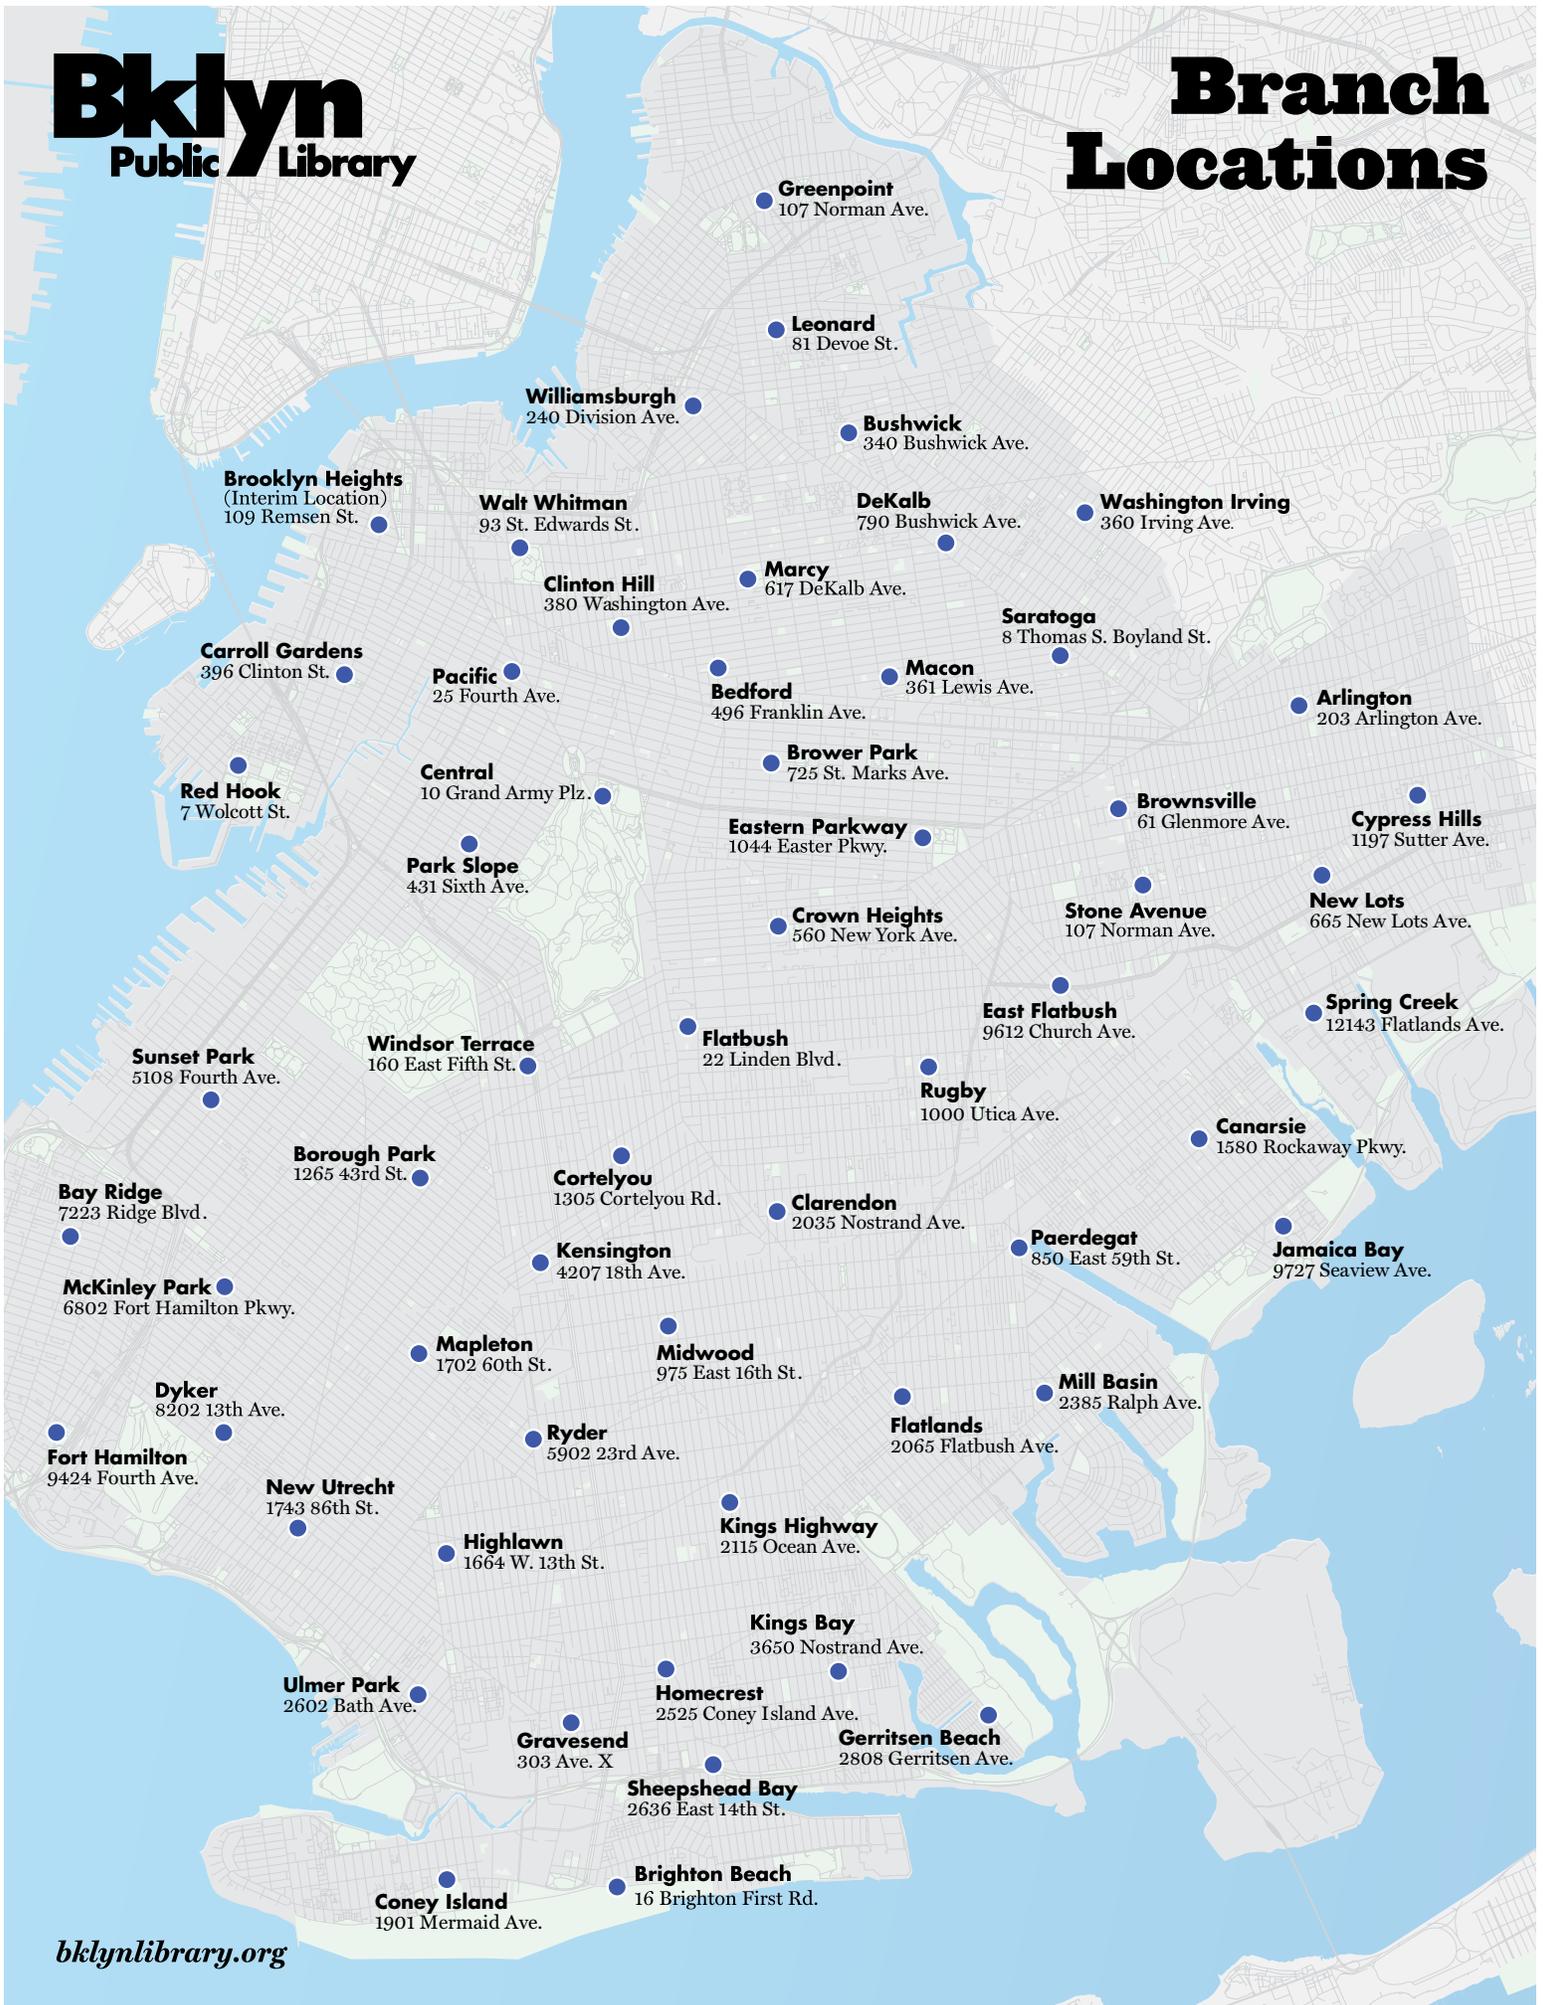

Located on the first floor of Central Library, the center offers public meeting rooms, a training lab, and an open workspace, each equipped with technology and resources to facilitate individual and group work, learning, and creativity.

T4 Program: Today's Teen, Tomorrow's Techies

Teens learn new computer skills in a two-week summer technology institute and then share those skills by helping patrons use library computers.

Zipcar at Brooklyn Public Library

Zipcars are now available at Bay Ridge, Bedford, Bushwick, Coney Island, Flatbush, Park Slope, Saratoga, Windsor Terrace and Walt Whitman libraries, and discounts are available to Library cardholders.
