

Safely Sheltering Disaster Victims Act of 2013
Section-by-Section

To increase the number of tenant-based rental assistance vouchers made available for low-income families displaced by Hurricane Sandy.

Section 1—Short Title

Section 1 provides the short title for the act.

Section 2—Transfer of Amounts to Provide Tenant Based Rental Assistance for Low-Income Families Displaced by Hurricane Sandy

Section 2 would transfer \$50 million from the CDBG Disaster Relief funds set aside in P.L. 113-2 (H.R. 152) the Disaster Relief Appropriations Act, 2013 to the tenant-based rental assistance account. The funding would be specifically used to provide housing choice vouchers to income-qualified victims of Hurricane Sandy in impacted states. The vouchers may be extended for these families, subject to further appropriations.
