# CB 3 Arts & Culture Town Hall

In 2017, The City of New York launched [CreateNYC](#), the city's first cultural plan with the goal of ensuring that here in New York "culture is for everyone."

CB3 is surveying its constituents to learn how they feel about the program, and how we best can access and use the CreateNYC resources.

If you are a member of the arts community living or working in Manhattan Community Board 3,

**please complete this survey**

in advance of the upcoming Town Hall, so that we can best address and discuss the needs and concerns of our cultural community.

RSVP to [artsculture@cb3manhattan.org](mailto:artsculture@cb3manhattan.org)
