

# East Side Coastal Resiliency Pre-Construction Update

CB3 Parks Committee Meeting  
Virtual Zoom Meeting  
September 10, 2020

# HIGHLIGHTS

- Construction Timeline Updates:
  - Compost Yard Relocation & Early Package – work to begin this Fall (slide 14)
  - Project Area 2 (PA2) – Asser Levy Playground to begin this Fall (slide 17)
  - Project Area 1 (PA1) – East River Park (ERP) work to begin late Fall (slide 23)
- Section 3 and M/WBE more information on opportunities (slide 36)
- Launching this month:  
updated website, social media, and web-based public inquiry tool (slides 40-46)

# WHAT WE'VE HEARD

- Where can we find Project Materials?
- How will PA 1 be phased and how will the contractor be held accountable?
- What is Parallel Conveyance?
- When will environmental monitoring begin and what are the details?

# REMINDER: ACCESS TO PROJECT MATERIALS

All past presentations are saved on the existing DDC ESCR website under the Project materials tab:

<https://www1.nyc.gov/site/escr/progress/meetings-workshops.page>

This includes Community Advisory Group (CAG) Meeting information and Member Roster.

Mid-late September DDC will launch the updated ESCR website and we will provide updated website link.

The screenshot shows the NYC ESCR website at the URL [www1.nyc.gov/site/escr/progress/meetings-workshops.page](https://www1.nyc.gov/site/escr/progress/meetings-workshops.page). The page features a blue header with links for "Information on coronavirus", "Agency service suspensions/reductions", and "Apply to be an Open Restaurant". Below this is a black navigation bar with the NYC logo, "East Side Coastal Resiliency", and a search bar. The main content area has a white background with a blue "NYC" logo and the text "The East Side Coastal Resiliency Project". A navigation menu includes "Home", "Vision", "Background", "Project Materials" (highlighted), "Get Involved", and "Resources". A large orange banner reads "Meetings and Workshops". Below this, the "Meetings and Workshops" section is titled, followed by "Environmental Review". A list of meetings is provided, including "CB3 Parks Committee Virtual Meeting" and "CAG (Community Advisory Group) Virtual Kick-Off Meeting", each with download links for presentations and summaries. Social media sharing icons and a print button are also visible.

---

# WHAT ARE THE STEPS IN BRINGING A PROJECT FROM DESIGN TO CONSTRUCTION?

# PROCUREMENT & CONTRACT REGISTRATION

Once the design is finalized the **Program Manager (PM)** creates the **Procurement Package** for the contractors to bid on.

The procurement process time varies by contract. **Contractors submit proposals** which are evaluated by the PM Team & DDC.

The **Apparent Lowest Bidder** is selected and then begins the registration process below.

## REGISTRATION REVIEW & APPROVALS:

# NOTICE TO PROCEED (NTP) & MOBILIZATION

Contractor to **propose final schedule & phasing plans** to DDC and PM Team.

Coordinate with **City agencies** for various approvals.

Submit and finalize **construction environmental plans**: Health & Safety, Noise Control, Dust Control, Erosion and Sediment Control, Traffic.

Submit **material cut sheets and samples**. Once approved the contractor can order the materials for the project.

Prepare field offices, construction fencing, and similar mobilization preparation on site.

## ENVIRONMENTAL PLAN APPROVALS:

## SUBMITAL REVIEW & APPROVALS:

# SITE PREPARATION

The contractor will begin to order materials and start preparing the site for construction, completing the following activities:

During this phase the contractor will also **install and test the environmental monitoring equipment.**

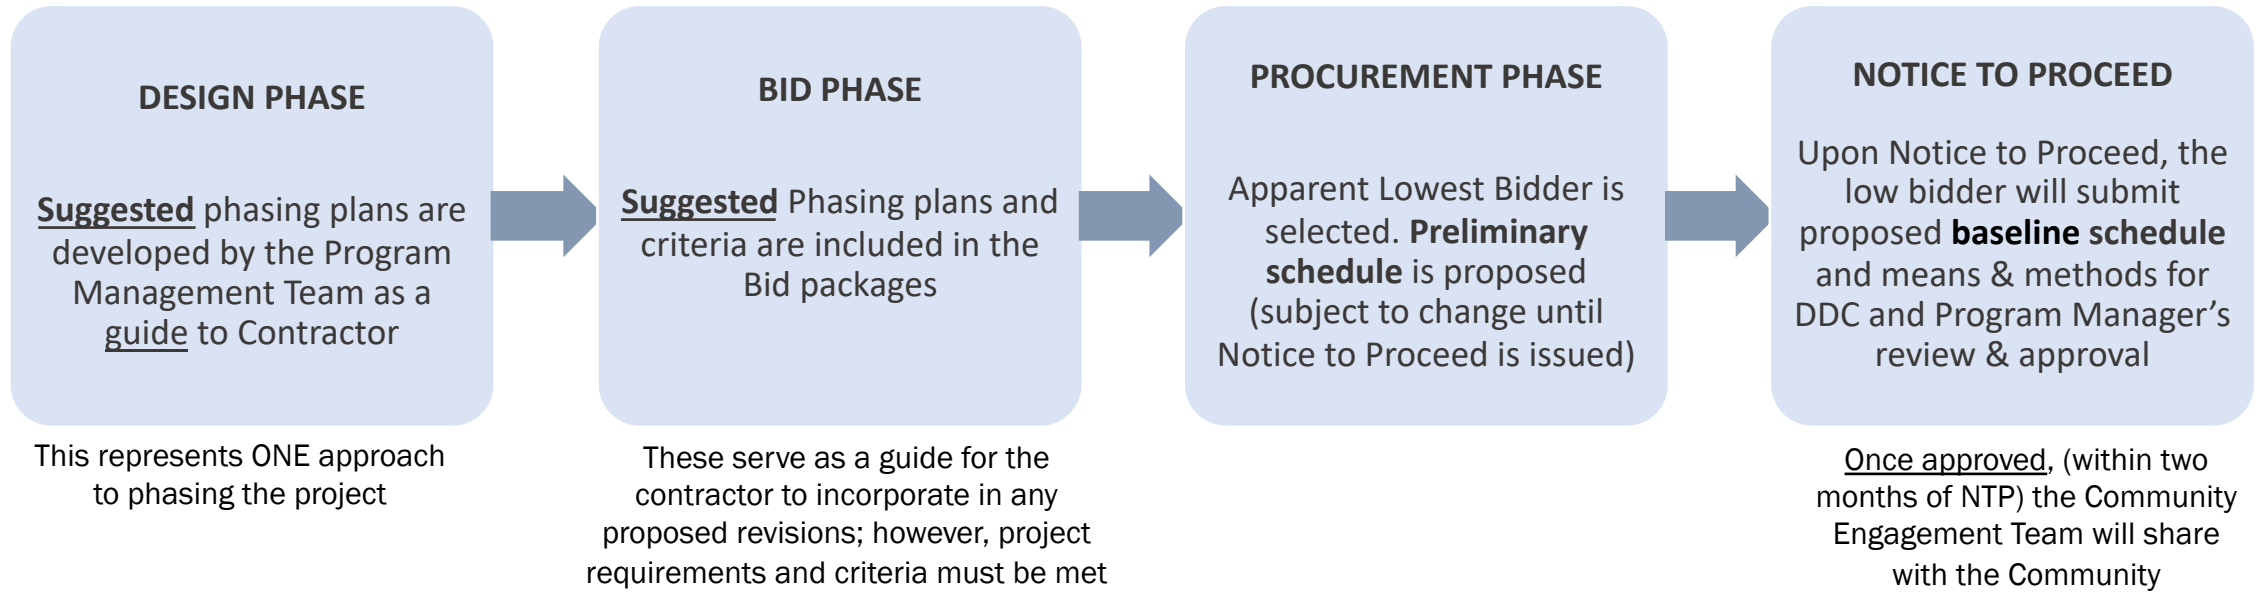

# CONSTRUCTION

Major construction will begin once agency coordination is complete, and, the construction plans / schedule / phasing plans are finalized:

# CONSTRUCTION SCHEDULE & PHASING PROCESS

# COMMUNITY OUTREACH DURING CONSTRUCTION

Stakeholder and community outreach activities will continue throughout the construction phase, to alert you of upcoming construction work, advisories, completion of milestones and activities, as well as community engagement events:

## COMMUNITY OUTREACH PROCESS:

# EARLY PACKAGE (EP) Estimated Timeline

SUBJECT TO CHANGE

## COMPLETED: PROCUREMENT & REGISTRATION

FALL 2020

- ✓ MOC & OMB Review and Approval
- ✓ Comptroller Contract Registration

## NTP & MOBILIZATION

FALL 2020

- Compost Area relocation, supported by DSNY
- Review of Contractor Submittals
- Rodent Survey
- Preconstruction photos
- Install SWPPP Measures

\*NTP: Notice to Proceed

## SITE PREPARATION

FALL 2020 – EARLY 2021

- Install Tree Guards
- Install Temp Fence
- Clearing & grubbing
- Site removals

## CONSTRUCTION WORK

EARLY – SPRING 2021

- Install water meter & backflow preventor
- Water piping & utility work
- Tree transplants
- Install fill and topsoil
- Seed/sod lawn area
- Punch list and demobilize

---

  - Comptroller Contract Registration

## NTP & MOBILIZATION

- FALL 2020**
- Preconstruction Meeting
  - Start of Contractor Submittals
  - Establish Field Office
  - Rodent Survey
  - Preconstruction photos
  - Install SWPPP Measures
  - Review & Approve Phasing and Construction Safety Plans**

## SITE PREPARATION

- FALL 2020 – END 2021**
- Utility mark-outs & survey
  - Install Tree Guards & Temp Fence
  - Clearing & grubbing
  - Site removals
  - Install & test air quality, noise monitoring equipment, collect pre-construction data**

## CONSTRUCTION WORK

- EARLY – SPRING 2021**
- Asser Levy and Solar 1: Floodwall Construction
  - Utility work
  - Park Improvements

# PROJECT AREA 2 (PA2) PHASED CONSTRUCTION

## PA2 CONSTRUCTION CRITERIA

This plan will be reviewed and approved by DDC Construction to ensure the criteria is met:

- Allows access to Asser Levy Park in 2020, Stuyvesant Cove Park in 2021, and Murphy Brothers Playground in 2022 to **minimize park closures**
- Stuyvesant Cove Park construction to be phased to keep **half of the park open** to the community
- Open park areas during construction will have **supported amenities**
- **Safe pedestrian access** is maintained to open areas during phased construction

# PARALLEL CONVEYANCE (PC)

## TIMELINE

# PARALLEL CONVEYANCE (PC)

Spring 2021 (Tentative: upon NTP and approval of plans; details will be provided)

# PARALLEL CONVEYANCE (PC)

Optimizes the existing drainage infrastructure and stormwater system. The PC work consists of:

- **Sewer upgrade** work within the city streets
- Two **interceptor gates**, two **buildings**, and several deep manhole excavations
- Potential street and/or sidewalk closures, detours, and watermain shutoffs

PC

Sewer upgrades will help protect the community from floods that result from **heavy rainfall** during storm events

PA1  
&  
PA2

Flood protection system will help protect the community from **coastal/ tidal** flooding and saltwater

# SECTION 3 AND M/WBE

## REQUIREMENTS & GOALS

# SECTION 3 | M/WBE

## Minority/Women Owned Business Enterprises

**GOAL:** Maximize M/WBE utilization rates and will work to attain a 25% utilization rate

## HUD Section 3 Goals

**GOAL:** 30% of all new hires on applicable projects will be Section 3 individuals; and

**GOAL:** 10% of the total dollar amount of all contracts' building trades work will be with Section 3 Business Concerns; and

**GOAL:** 3% of the total dollar amount of all other applicable contracts per calendar year will be with Section 3 Business Concerns.

## Qualifications for Companies to be Considered a Section 3 Business Concern

- 51% owned by Section 3 individuals/NYCHA residents
- 30% workforce is Section 3 individuals
- 25% of subcontracts awarded to Section 3 Business Entity

## 2019 Income Requirements

- Individual: \$59,750
- Maximum income ranges by households (HH)  
HH 2: \$68,300 to HH 8: \$112,700

# SECTION 3 | M/WBE

## Areas of Opportunity

- Program Management (PM) Team
- General Contracting (GC) Team
- Community Inclusion and Outreach

## Potential Positions & Services

- Support Staff
- Supplies and vendor services
- Equipment
- Training & Resources

## Strategies

- Industry Outreach: Coordinate with other industry outreach events; DDC MWBE, SBS, NYS MWBE Forum, NYCHA, etc.
- Communication: Provide hiring opportunity's to local organizations, NYCHA REES, NYC Department of Small Business Services Workforce 1, and elected officials.
- ESCR Website to link to opportunities and submit qualifications. Visit for resources and materials.
- Events: webinars, seminars and events for matchmaking opportunities, OSHA, PASSport, access to capital, insurance bonding, eligibility for MWBE certification and Section 3 Business registration
- Monitor: Monthly internal monitoring

# UPDATE: WEBSITE LAUNCH

Launch Mid-September as an update to the existing website.

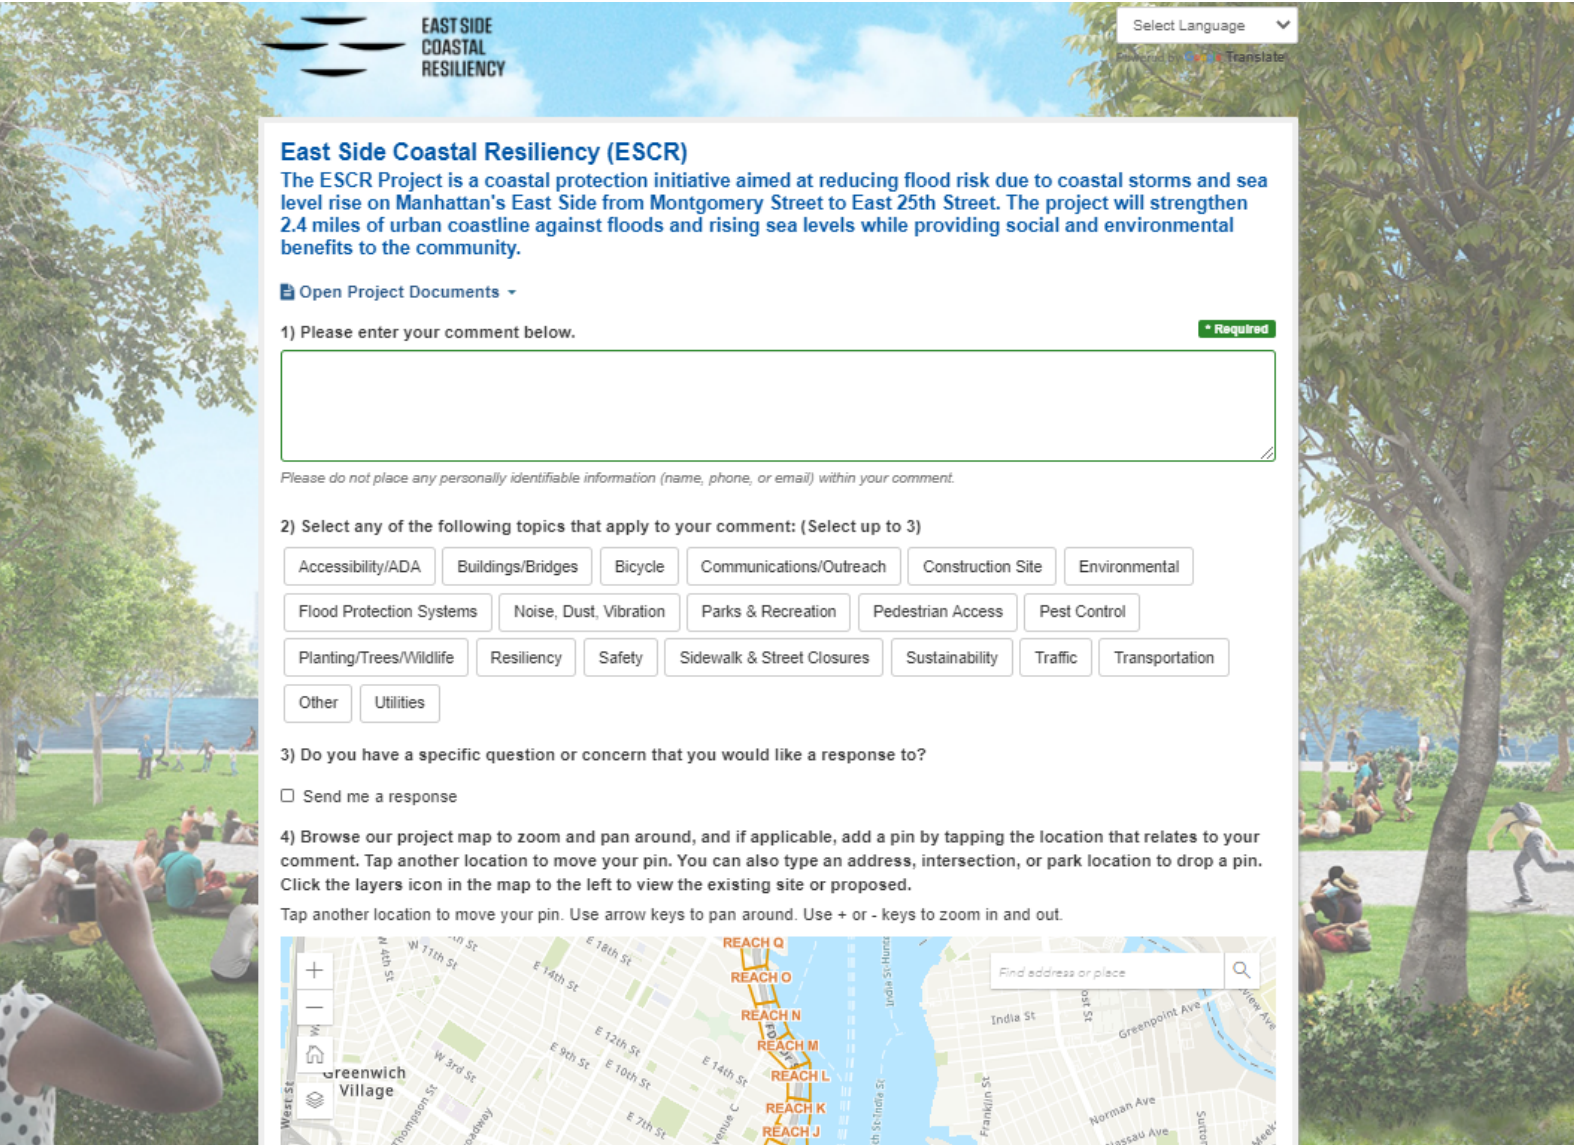

- Multi-lingual
- Includes all existing website information
- Construction updates & notifications
- Section 3 M/WBE workforce page
- In Your Community & Meet Your CCLs

# UPDATE: WEB-BASED PUBLIC INQUIRY TOOL

Launch Mid-September, under  
'Contact Us' page of new website

- Multi-lingual
- Interactive and user-friendly
- Inquiries reach CCLs directly
- Sign up for project notifications
- Site-specific commenting
- Create user profile for repeat use of tool

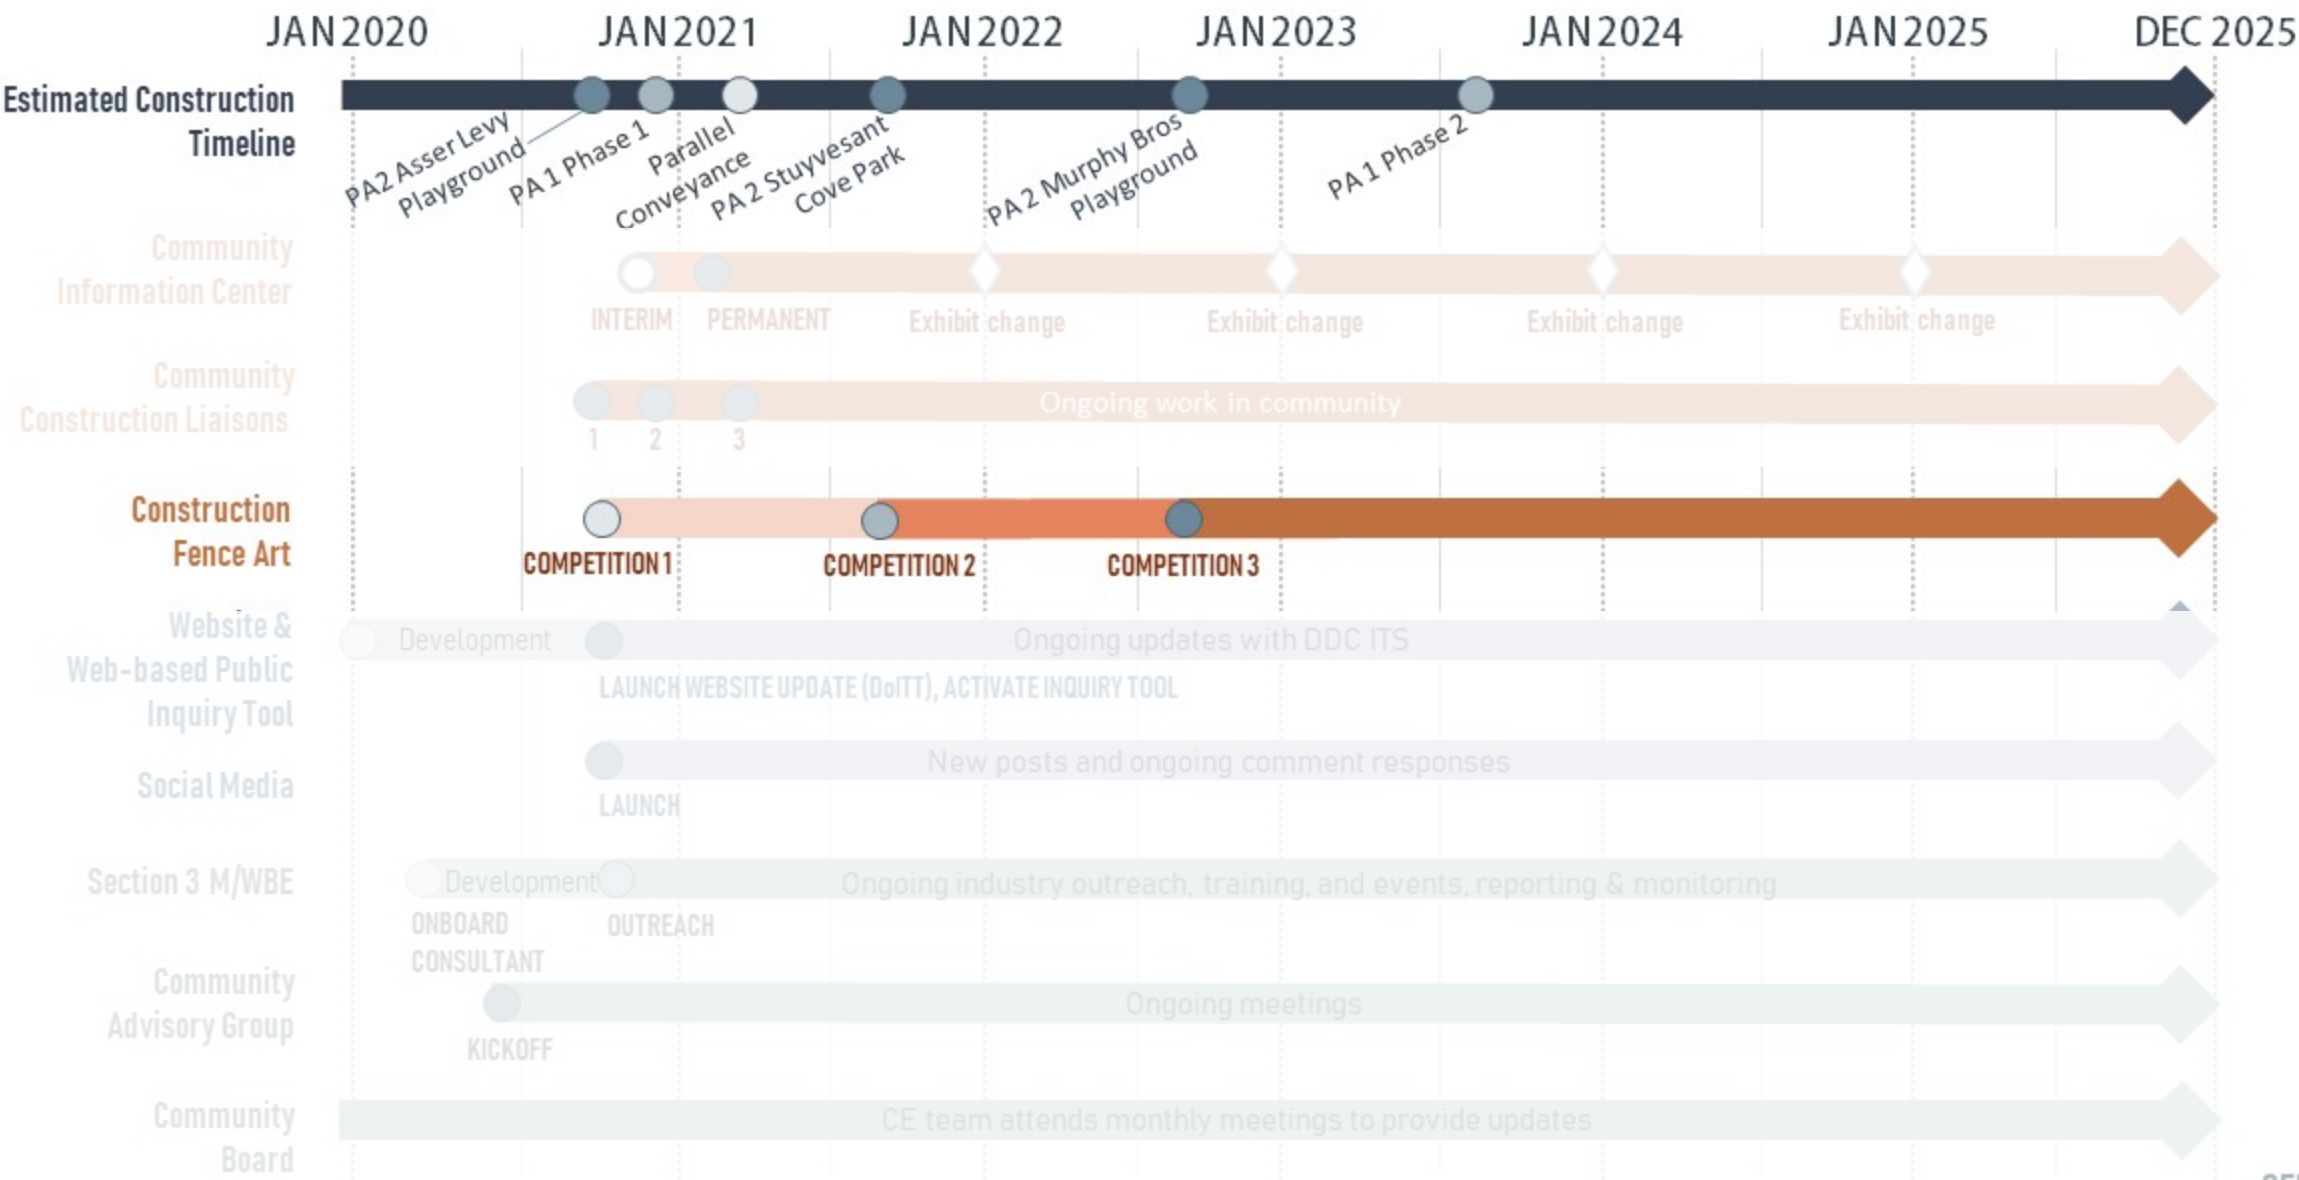

The screenshot displays the 'East Side Coastal Resiliency (ESCR)' public inquiry tool. At the top, the project logo and a 'Select Language' dropdown are visible. The main heading is 'East Side Coastal Resiliency (ESCR)', followed by a descriptive paragraph about the project's goals. Below this is a link to 'Open Project Documents'. The form consists of four numbered steps: 1) A required text input field for comments, with a note to avoid personally identifiable information. 2) A selection of topic buttons including Accessibility/ADA, Buildings/Bridges, Bicycle, Communications/Outreach, Construction Site, Environmental, Flood Protection Systems, Noise, Dust, Vibration, Parks & Recreation, Pedestrian Access, Pest Control, Planting/Trees/Wildlife, Resiliency, Safety, Sidewalk & Street Closures, Sustainability, Traffic, Transportation, Other, and Utilities. 3) A checkbox for 'Send me a response'. 4) Instructions for using a map to pin locations, with a search bar and map controls. The map shows the project area in Manhattan, with specific 'REACH' locations (J through Q) highlighted in orange.

### The East Side Coastal Resiliency Project

The East Side Coastal Resiliency (ESCR) Project is a coastal protection initiative, jointly funded by the City of New York and the federal government, aimed at reducing flood risk due to coastal storms and sea level rise on Manhattan's East Side from East 25th Street to Montgomery Street.

The ESCR Project is a priority of the City of New York as outlined in the 2015 *One New York: The Plan for a Strong and Just City* and by the innovative Rebuild by Design competition sponsored by the U.S. Department of Housing and Urban Development (HUD). The project design intends to integrate flood protection into the community fabric, improving access to the waterfront rather than walling off the neighborhood.

# APPENDIX FOR REFERENCE

# EAST SIDE COASTAL RESILIENCY

## Agency Roles

Mayors Office of Resiliency | NYC Department of Design and Construction  
NYC Parks | NYC Department of Transportation | NYC Department Environmental Protection

**Deputy Mayor's Office (DMO):** Oversees interagency coordination, facilitates the decision-making process, and manages engagement with elected officials and other key stakeholders.

**Mayor's Office of Resiliency (MOR):** Leads resiliency policy and program development for the City, including integration of this project into the City's multi-layered citywide resiliency strategy.

**NYC Department of Design & Construction (DDC):** As NYC's primary capital design and construction project manager, DDC is managing the design and construction of the ESCR project.

**The Mayor's Office of Management and Budget (OMB):** Oversees both the expense budget and the capital budget and conducts legal reviews of capital projects. NEPA lead agency and responsible entity for the HUD CDBG-DR Grants.

**NYC Law Department:** Assisting in land use negotiations with non-city parties.

**NYC Department of Citywide Administrative Services (DCAS):** Assisting in appraisals and negotiations for acquisitions with non-city partners.

**NYC Department of Parks & Recreation (NYC Parks):** Lead Agency in fulfilling the environmental review requirements of the SEQRA and CEQR. The agency is also responsible for reviewing and issuing permits and approvals for project design and construction in City parkland.

**NYC Department of Transportation (DOT):** Responsible for bridge design review, traffic management and permit review on local streets and the FDR, bike and pedestrian safety design review, and long-term operations and management of flood protection systems including deployment and emergency response.

**NYC Department of Environmental Protection (DEP):** Serves in a design and advisory capacity for activities related to stormwater management, water and sewer infrastructure, air quality, noise, hazardous materials, and natural resources. Also responsible for long term operations and management of interior drainage system including deployment and emergency response.

**NYC Department of City Planning (DCP):** Responsible for waterfront area zoning, planning, compliance and decision making, and for the Uniform Land Use Review Procedure (ULURP).

**NYC Economic Development Corporation (EDC):** Coordinates approvals for activities on NYCEDC-leased and administered properties, including Stuyvesant Cove Park and the Solar One Environmental Education Center.

**East Side Coastal Resiliency (ESCR)**

The ESCR Project is a coastal protection initiative aimed at reducing flood risk due to coastal storms and sea level rise on Manhattan's East Side from Montgomery Street to East 25th Street. The project will strengthen 2.4 miles of urban coastline against floods and rising sea levels while providing social and environmental benefits to the community.
