For The Preliminary Budget  
Fiscal Year 2018

Manhattan

**The City of New York**  
**Bill de Blasio, Mayor**

## **FY 2018 Preliminary Budget Register of Community Board Budget Priorities**

**The Register of Community Board Budget Requests for the Preliminary Budget** reports the FY 2018 preliminary budget status of each of the projects and programs requested by the City's 59 community boards.

The FY 2018 Register is the charter mandated product of a dynamic and cyclical budget process for the 59 community boards. The community boards consult with agencies on the capital and expense needs of the district. After consulting, each community board develops and votes separate priorities for up to 40 capital and 25 expense budget requests which the agencies review and respond to in the **Register of Community Board Requests for the Preliminary Budget** in January.

The Mayor's Office of Management and Budget (OMB) reviews these same budget requests and updates the responses for the Executive Budget.

In May, the City Council holds public hearings on the Executive Budget. At these hearings, community boards, community groups and interested citizens may comment on the budget decisions contained in the Register.

In July, OMB publishes the **Register of Community Board Budget Requests for the Adopted Budget** which informs the boards of the final disposition of their original budget priorities. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

Capital project requests from community boards are site specific, and primarily for infrastructure or public facility improvements.

For more specific information about programs important to the community boards, refer to each agency's section in the Message of the Mayor for the Executive Capital and Expense Budgets.

Call 212-788-5943 for more information about the community board process including consultations, and the geographic versions of budget documents.

## FORMAT OF THE REGISTER

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

### LAYOUT OF BUDGET REQUESTS PAGES

#### Column 1: Priority Number

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign Continued Support (CS) to a project which received funding for construction in any year of the current Financial Plan.

#### Column 2: Tracking Code

The nine digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year for which the request was submitted and the last two digits are the request number. The tenth character indicates whether it is a capital ("C") or expense ("E") budget request.

#### Column 3: Project Information

**Request:** A brief description of the project.

**Explanation:** Supporting information detailing the project, and its potential benefits.

**Responsible Agency:** The City agency which would implement the project.

**Budget Line Number:** The number assigned to a capital project that was previously funded or is included in any year of the current Financial Plan.

**PROJECT ID:** The Capital Project Information System identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the PROJECT ID of the project.

**Source of Request:** Any group(s) which support the request.

#### Column 4: Response

The Preliminary Budget recommendation for each budget request.

The service area can be expanded by creating 2 separate serving lines, for better and faster service, and through installation of a walk-in refrigerator/freezer to replace refrigeration units in service and storage areas. 01	303201801E	<p><b>Request:</b> Provide, expand, or enhance the Summer Youth Employment Program</p> <p><b>Explanation:</b> Funding for Summer Youth Employment Explanation: The Summer Youth Employment Program (SYEP) provides New York City youth between the ages of 14 and 24 with paid summer employment for up to six weeks in July and August. This year, we had over 54,000 jobs available, but more than 130,000 applications are received each year. In the current economy, more slots are needed for our low- and moderate - income youth; 50% are turned away each year. These teens need job opportunities instead of environment that does not encourage them to be productive.</p> <p><b>Responsible Agency:</b> Department of Youth &amp; Community Development</p>	DYCD has increased funding in this service area.
02	303201802E	<p><b>Request:</b> Other facilities for the homeless requests</p> <p><b>Explanation:</b> Increased funding for Social workers in family shelters Explanation: there are 362 social workers in 72 families with children sites. CB 3 has social workers in only 2 facilities.</p> <p><b>Responsible Agency:</b> Department of Homeless Services</p>	The Agency is evaluating all families with children shelters to allocate adequate social workers to meet the ideal client to social worker ratio.
03	303201803E	<p><b>Request:</b> Enhance home care services</p> <p><b>Explanation:</b> Baseline Homecare Funding \$4.8 million was added to achieve paid parity for DFTA case managers and \$1.8 million to address the case management waitlist. Next year, the paid parity funding will increase to \$7.3 million. This means DFTA will see an increase in the number of people who will require homecare. Homecare programs must be fully fund homecare programs so no seniors will have to be on a waitlist for homecare.</p> <p><b>Responsible Agency:</b> Department for the Aging</p>	DFTA continues to advocate for increased funding to support aging services throughout the five boroughs. Presently, there is no additional funding available to increase program budgets or commence new initiatives.

With the passage of Intro. 1081, which requires DFTA to survey and create a plan to support unpaid caregivers, the Administration create a funding stream to ensure that programs supporting caregivers are funded.</p> <p><b>Responsible Agency:</b> Department for the Aging</p>	<p>DFTA is aware of the growing aging population and continues to fund programs in this CD, as well as advocate for increased Federal, State, and City funding to enable seniors to remain independent, and to support homebound frail seniors and their caregivers.</p>
06	303201806E	<p><b>Request:</b> Other facilities for the homeless requests</p> <p><b>Explanation:</b> Funding for additional safe haven beds Explanation: Community Board 3 is currently experiencing a crisis with street homeless. There are not only more homeless, some of the beds previously designated for street homeless have been redesignated for subway homeless, which is also dramatically increasing. Safe haven beds are low-threshold housing that enable street homeless to transition to housing and have proven effective. Currently there are not always beds available and street homeless have had to wait for this form of shelter.</p> <p><b>Responsible Agency:</b> Department of Homeless Services</p>	<p>Implemented in March 2016, HOME-STAT is the nation's most comprehensive street outreach program, with nearly 500 workers to help transition homeless individuals from the streets and into shelters. Funding has also been enhanced for additional safe haven beds, drop in centers, and supportive housing units to ensure that those living on the streets have opportunities to come inside and connect to the support services they need.</p>

Presently, there is no additional funding available to increase program budgets or commence new initiatives.</p>
09	303201809E	<p><b>Request:</b> Provide case management, cash assistance, or social services</p> <p><b>Explanation:</b> Increased HASA funding for supportive housing for homeless people with AIDS Explanation: Benefits provided by HASA to people with AIDS were recently expanded to include anyone who is HIV positive. This eligibility expansion will mean that NYC will be the only jurisdiction in the country that will guarantee a rental subsidy to low-income people living with HIV regardless of if they are HIV+ or have an AIDS diagnosis. The City estimates that this change will impact upwards of 6,000 people at a cost of about \$60 million. It will have a significant impact on addressing the number of HIV+ people who are homeless.</p> <p><b>Responsible Agency:</b> Human Resources Administration</p>	<p>The Agency provides services for people who are eligible under certain guidelines.</p>
