May 2009 Full Board Minutes

Meeting of Community Board #3 held on Tuesday, May 26, 2009 at 1830 hours at PS 20, 166 Essex Street.

Public Session:

Jeremy Hurley and Jan Malim: 51 St. Mark's Place Owners Corp. Made complaints about the dangerous road conditions in front of their building which result in constant shaking and noise in the building.

Don West: asked questions regarding the role of District Manager. He wanted to know what qualifications it takes to fill the role as well as who does the interviewing and from where do we pull applicants.

Jessica Williams: Access Community Health Center is offering a free seminar about aging and recognizing signs of dementia. Refreshments will be served. The training seminar is May 29th at 2pm at Smith Houses-TA Room 15th Street.

Linda Janneh: from the Office of the DA, announced a safety seminar for the Chinatown community. The seminar will focus on fire safety and take place at 62 Mott Street. She also addressed the bus issue along Pike Street. Ms. Janneh agrees it's wrong that people waiting for busses use lobbies and stoops for luggage and waiting areas. There is a signed affidavit that can arrest people loitering that do not live or are visiting people in those buildings.

Pat DeAngelis: announced that on Saturday June 6 from 1-5 PM on East 4th Street there will be a festival of young artists. They have invited 30 different groups of teens who will be performing various types of art including dancing and singing.

Albert Chan: wrote a petition against the illegal use of public bus stops by Eastern Travel and Coach USA busses in front of 1Pike Street.

Joel Kaplan: Chairman of the Lower Manhattan Health Care Coalition. Mr. Kaplan announced a community expo in PS 20 called "50 and Beyond". It will promote the wellbeing of active older adults. There will be live entertainment, dancing, singing, fitness demos, arts crafts, raffles, and seminars. Several social services will also be represented.

Public Officials:

Mayor Michael Bloomberg, Lolita Jackson & Pauline Yu:

Public Advocate Betsy Gotbaum, Gabe Rosner: Tommy Lin spoke. He brought to the meeting the Guide to Public Benefits for Immigrants in New York City. It is a comprehensive guide that provides free vital information about federal, state and city benefits.

Comptroller William Thompson, Sandra Duque:

Borough President Scott Stringer, Gregory Kirschenbaum: In April Borough President Stringer announced the filing of a class action suit under the Americans with Disabilities Act to force NYCHA to repair and maintain their more than 3,300 elevators. The Borough President is also calling for a full ban on hydro-fracturing.

Congressmember Jerrold Nadler, Erin Drinkwater:

Congressmember Nydia Velazquez, Iris Quinones: She is in support forcing NYCHA to maintain and repair the elevators in public housing. She helped design and pass the American Recovery and Reinvestment Act which will provide support to our communities that need it the most and bring \$5 billion in direct aid to NYC. It will create over 91,000 jobs in NYC in the next 2 years.

Congressmember Carolyn Maloney, Victor Montesinos:

Assembly Speaker Sheldon Silver, Zach Bommer: The Assembly passed the marriage equality bill that allows same sex couples to enter into civil marriage. The bill passed 89-52.

He announced legislation that will allow New Yorkers who are unemployed and whose benefits have run to tap into the \$645 million federal grant for unemployment compensation. They would receive a 13 week extension

on their benefits. Speaker Silver met last month with tenants of 10 Stanton Street to discuss the future of the building's Section 8 status which is about to expire. Owners failed to show up at the last meeting but they have rescheduled. He hopes to secure a Section 8 contract for the residents.

Called for and hosted with Mayor Bloomberg a meeting with the stakeholders of the World Trade Center and Port Authority at Gracie Mansion. He is fed up with how slow the project is moving.

Assemblymember Deborah J. Glick, Matt Borden: She is the co-sponsor of the marriage equality act which passed the Assembly. She has worked very hard to realize its passage.

The Rent Guidelines Board met in May and proposed 2%-4.5% increases for one year leases and 4%-7.4% for two year leases. However, reports show that owner's operating expenses have not increased significantly this year, Therefore, she is calling for a freeze in rent hikes so that renters can get through these touch economic times.

Assemblymember Brian Kavanaugh, Paula Castro: Kavanaugh joined NY Chapter of State Legislatures Against Illegal Guns. Their intentions are to create practical ways of getting guns away from criminals and it is modeled against Mayors Against Illegal Guns. Kavanaugh signed three bills aimed at better language access in NYC. One would provide language assistance to parents whose children are enrolled in public school. The other would add Chinese and Korean to the languages that the GED is offered and lastly a bill that would provide language assistance to the NYCHA buildings where 10% or more of the residents are not proficient in English.

NYCHA should not have to use public housing funds to pay for sanitation when the rest of the city is getting these services for free. Bill A08479 would prevent that.

State Senator Daniel L. Squadron, Jasmin Sanchez:

State Senator Thomas K. Duane, Romeo Ymalay: asked everyone in support of marriage equality act to go onto broadwayimpact.com to contact your local senator to encourage him/her to vote on marriage equality bill.

On May 13th Romeo attended the first meeting of the First and Second Avenue Select Bus Community Advisory Committee (CAC). Select Bus Service is part of NYCT and DOT's Bus Rapid Transit Initiative-a system of dedicated bus lanes that give busses priority on the street as well as streamlining the boarding of passengers.

Councilmember Alan Gerson, Patricia Olan: Gerson attended an emergency coordinating meeting on May 15, the day a fire engulfed the Hong Kong supermarket at 109 E. Broadway. He is working with small business services, reached out to DOB, and emergency services in order to help the recovery process of those affected by the fire. Bus services will return to normal when debris is cleared.

Council Member Gerson has written a series of letters to the Administration insisting that budget cuts cannot be made across the board and that some services are essential and must be maintained at their current level. The examples he used are our Police, the downtown Fire House.

Council Member Gerson will attend a rally on May 27 at noon at 1 Liberty Plaza to demand that the Lower Manhattan Development Corporation withhold funds for the DOT Chatham Square Redesign which has been deemed "untested, unpopular and unsafe".

Councilmember Rosie Mendez, Jessica Nepomiachi: Lisa Kaplan, Chief of Staff. Rosie is thrilled that fellow Puerto Rican, Sonia Sotomayor was appointed by President Barack Obama to the Supreme Court. She is also very disappointed by Mayor Bloomberg's appointment of John Reah as the NYCHA Chairman. NYCHA has faced crushing deficits for the last eight years and needs a Chair that has a track record of successful housing management and development which Mr. Reah does not.

The Street co-naming ceremony for Freida Zames on May 2 was a deeply moving experience. Freida was a much admired civil and disability rights activist.

City budget cuts will be hitting areas where it will hurt the most such as senior lunches, 311 and children's services that oversee foster kids.

Susan Stetzer: asked whether some of the 30k being cut from community boards will be restored by City Council. Lisa: did not hear that but she knows the Council will fight very hard to get it back.

Board Chairperson's Report:

Chairperson Dominic Pisciotta

Today's Borough Board Meeting at the Borough President's Office had a presentation on protocol for political activities by Board Members. They advised against soliciting for political activities or money from fellow Board Members on Board's time including directly before or after meetings, but rather other times. Office staff should reject campaign e-mails sent by Board Members. The Chair cannot ask DM for contribution money but the DM can ask Chair for contribution money. Political buttons and tee shirts should not be worn in office. Members' nor campaign's political announcements should not be made during public session.

Military recruitment bill passed the Council. This was passed in our board and through the Boro Board. DOE is required to provide parents with opt out forms so their kids are not targeted during school hours.

Community Board's have not had an increase in 18 years. The proposed 30k cut will be crushing. There is a rally on June 9.

Dominic acknowledged the passing of Eden Lipson, a CB3 member who sat on the SLA Committee. He wants to put together a resolution acknowledging her and present it at the memorial service. The Board will be collecting money to make a donation in her honor to charity of her choice.

Renewal with Complaint History

2. Buenos Aires, 513 E 6th St (rw)

VOTE: To approve the renewal of the full on-premise liquor license for Solas, 232 East 9th Street.

4. Superdive (Rapture Cafe), 200 Ave A (op)

VOTE: To deny the renewal of a full on-premise liquor license for Superdive, doing business as Rapture Cafe, 200 Avenue A, because 1) the applicant did not appear before Community Board #3 for review of its application or provide any application materials for review, and 2) this location has been closed for the past several months.

5. B&W Bar, 86 E 10th St (op)

VOTE: To approve the renewal of the full on-premise liquor license for 732 Bella, Inc., doing business as Black & White Bar, 86 East 10th Street, understanding that the applicant will meet with its staff and area residents before the next meeting of the State Liquor Authority/Department of Consumer Affairs Licensing Committee of Community Board #3 to address outstanding complaints and will post public notices of said meeting on its façade and in neighboring buildings for a period of one (1) week prior to the meeting date.

Review of method of operation

6. Aces & Eights, 34 Ave A (op)

VOTE: To ask that the New York State Liquor Authority investigate for denial, based upon misrepresentation of its method of operation, the transfer application of the full on-premise liquor license for 34A Restaurant Corp., doing business as Aces & Eights, 34 Avenue A, between 2nd and 3rd Streets, because 1) this applicant indicated in his applications to both the SLA and Community Board #3 that it would operate as a full-service restaurant with first and second story dining rooms as opposed to a restaurant tavern or bar (community board application appended hereto) but it has now been operating for the past several months as a bar without any food service and has presented photographs of its second floor which show a lounge with low couches and cocktail tables, 2) the applicant has been operating using the business name of Aces & Eights which is identical to its restaurant tavern already operating uptown and has advertised drinking games and thirteen (13) televisions for this premise which is inconsistent with its original method of operation, 3) in its short operating history, there are already numerous complaints of late night noise emanating from this establishment from residents of Avenue A and 3rd Street (photographs appended hereto), 4) the applicant presented this community board with petitions of resident signatures in support of this application in which it was represented that the establishment would be a restaurant, obtaining community support by mischaracterizing its business, and 5) the applicant had no adequate explanation for its change in method of operation.

Sidewalk Café Application

7. Cellar 58, 58 2nd Ave (new unenclosed)

VOTE: To approve the application for a sidewalk café permit for seven (7) tables and fourteen (14) seats for Cellar 58, 58 Second Avenue, because the applicant has signed a change agreement which will become part of its DCA license that 1) it will have seven (7) tables with fourteen (14) seats, 2) it will extend its awning over its sidewalk café during its hours of operation, and 3) it will close its façade at 10:00 P.M. every night to minimize noise.

8. Poco, 33 Ave B (new unenclosed)

VOTE: WHEREAS, Poco, 33 Avenue B, located on the corner of 3rd Street and Avenue B, is seeking to obtain a sidewalk café permit which would allow it to have twenty-two (22) tables with forty-four (44) seats, fourteen (14) tables with twenty-eight (28) seats to be located on 3rd Street and eight (8) tables with sixteen (16) seats to be located on Avenue B; and

WHEREAS, Avenue B between 3rd and 4th Streets is the worst area in the 9th Precinct in terms of degraded quality of life as a result of its numerous licensed establishments, overwhelming pedestrian and vehicular traffic, late night horn honking, and noise from patrons moving between businesses and emanating from businesses; and

WHEREAS, Avenue B is a narrow residential street which runs from Houston to 14th Streets and which physically narrows between 4th Street and Houston Street; and

WHEREAS, 3rd Street is a residential side street, consisting primarily of low and medium height residential apartment buildings; and

WHEREAS, the 9th Precinct and Community Board #3 have had to ask the Department of Transportation to eliminate weekend nighttime parking on one side of Avenue B between 4th Street and Houston Street in an effort alleviate traffic congestion and decrease late night noise in this area; and

WHEREAS, despite the existing and well publicized conditions on lower Avenue B, the applicant, who has only been operating nine (9) weeks, is now seeking to more than double its seating by operating a sidewalk café with forty-four (44) seats on this narrow avenue, as well as on a small residential side street, which would effectively extend this business into the public space of an already beleaguered community; and

WHEREAS, the applicant has conceded that it has already been serving at sidewalk tables without a permit; and

WHEREAS, there have already been numerous complaints from residents of the surrounding buildings of noise from music and patrons emanating from this establishment; now

THEREFORE, BE IT RESOLVED that Community Board #3 moves to deny the sidewalk café permit for Poco, 33 Avenue B, which would allow it to have twenty-two (22) tables with forty-four (44) seats.

9. Bistronge, 432 E 13th St (new unenclosed)

VOTE: To deny the application for a sidewalk café permit for seven (7) tables and fourteen (14) seats for Bistronge, 432 East 13th Street, between First Avenue and Avenue A, because 1) the south side of 13th Street between First Avenue and Avenue A, where the applicant is located, is residentially zoned, and although there is a commercial overlay allowing for businesses within one hundred (100) feet of either corner, the applicant conceded that its establishment lies in the middle of the block, 2) its establishment is, consequently, a grandfathered nonconforming use of a residentially zoned location, and 3) extending that nonconforming use to a sidewalk café would violate existing zoning regulations.

10. Spitzer's Corner, 101 Rivington St (new unenclosed)

VOTE: WHEREAS, NYLA, doing business as Spitzer's Corner, located at 101 Rivington Street, on the southeast corner of Ludlow Street and Rivington Street, has been required to surrender its sidewalk café permit to the Department of Consumer Affairs and has now applied for a new sidewalk café permit for nine (9) tables with eighteen (18) seats, to be located on Rivington Street; and

WHEREAS, Community Board #3 has long held that the increase in nighttime venues has resulted in persistent and numerous complaints regarding increased noise as well as increased pedestrian and vehicular traffic in specific areas within this district and said complaints have evolved over time from complaints that were once only about specific rowdy businesses to complaints that are now about noise and congestion resulting from the sheer volume of eating and drinking establishments; and

WHEREAS, said conditions continue to be prevalent in and around Ludlow Street between Houston Street and Delancey Street which currently has twenty-one (21) eating and drinking establishments and Rivington Street between Norfolk Street and Orchard Street which currently has eleven (11) eating and drinking licenses; and

WHEREAS, the Seventh Precinct and Community Board #3 have asked the New York City Department of Transportation to permanently change signage on the west side of Ludlow Street between Houston Street and Delancey Street to "NO STANDING FROM 11:00 P.M. TO 6:00 A.M. FRIDAYS AND SATURDAYS" because the street and sidewalks have been so overwhelmed by nighttime businesses and their attendant vehicular and pedestrian traffic and noise creating unsafe conditions for pedestrians and preventing police and other emergency vehicles from traveling down this street because of vehicles stopped in the street and pedestrians walking in the street to avoid already overcrowded sidewalks (Community Board #3 motion of November 2006 attached hereto); and

WHEREAS, said request has resulted in the New York City Department of Transportation permanently eliminating residential parking on the west side of Ludlow Street between Houston Street and Delancey Street in response to the overwhelming street and sidewalk congestion and the unsafe conditions; and

WHEREAS, residents from buildings on Ludlow Street, both adjacent to and across the street from this location, previously appeared before Community Board #3 at the time that this applicant originally applied for a sidewalk café permit and when it subsequently applied for a modification of said permit to complain of existing noise and impassable sidewalks and streets because of too many people and cars, including the previous and now renewed testimony of one walker-bound tenant from the adjacent building, 124 Ludlow Street, that the sidewalks are currently too congested and dangerous for her to safely maneuver due to congestion from the patrons of existing businesses and allowing this sidewalk café to operate has exacerbated these conditions; and

WHEREAS, the applicant had previously conceded that there is street and sidewalk congestion from eating and drinking establishments on both sides of Ludlow Street on the blocks north and south of his establishment and immediately opposite his establishment, as well as on Rivington Street; and

WHEREAS, one resident of the apartment building at 126 Ludlow Street in which this business is located, has now appeared to testify that patrons from this business routinely block his apartment entrance in the evenings; and

WHEREAS, the architectural plans for this café depict a service aisle that is in front of 126 Ludlow Street, the residential apartment building in which this business is located, which would further block the entryway for residential tenants; and

WHEREAS, this applicant had previously entered into an agreement with the City Council and Councilmember Allan Gerson to operate a sidewalk café consisting of five (5) tables with ten (10) seats and closing at 9:00 P.M. Sundays through Thursdays and 10:00 P.M. Fridays and Saturdays and the present application is contrary to the terms of the agreement with the City Council and Councilmember Gerson; and

WHEREAS, the previous commanding officer of the 7th Precinct was opposed to a sidewalk café on this corner because it would result in more congested street traffic and increasingly dangerous conditions on a corner which is already dangerous; and

WHEREAS, the applicant currently has pending a nuisance abatement action against it as a result of summonses for four (4) sales of alcohol to minors within the past one (1) year, and a permit extending its business to the sidewalk should not be issued because of the conduct that resulted in this action; now

THEREFORE, BE IT RESOLVED that Community Board #3 urges the Department of Consumer Affairs to deny the application for the sidewalk café permit for NYLA, located at 101 Rivington Street, for nine (9) tables with eighteen (18) seats.

Applications within Resolution Areas

11. Tpoutine, 168 Ludlow St (rw)

VOTE: WHEREAS, Tpoutine, has applied for a restaurant wine license at 168 Ludlow Street, between Houston and Stanton Streets; and

WHEREAS, this applicant is intending to operate a restaurant which will have accordion doors and serve a limited menu consisting of a Canadian staple dish which combines French fries with other foods; and

WHEREAS, Ludlow Street is an extremely old, narrow street, historically comprised of low-rise tenements and small-scale manufacturing and retail; and

WHEREAS, Ludlow Street is presently overwhelmed by nighttime licensed establishments of all types, as well as incredible vehicular and pedestrian traffic congestion attendant to the volume of these businesses; and

WHEREAS, there are seventeen (17) liquor licensed establishments on Ludlow Street between Houston and Rivington Streets, as well as thirty (30) licensed establishments within five hundred (500) of this location, the majority of which serve food; and

WHEREAS, there are numerous cafes and restaurants serving limited menus in the immediate area; and

WHEREAS, Ludlow Street may be the single worst area in the 7th precinct in terms of degraded quality of life the result of so many licensed establishments within close proximity to each other, overwhelming pedestrian and vehicular traffic, patrons congregating in the street itself, late night horn honking and overwhelming noise emanating from businesses and from patrons as they move between businesses; and

WHEREAS, these persistent detrimental conditions have resulted in the 7th Precinct and Community Board #3 asking the Department of Transportation to eliminate weekend nighttime parking on the west side of Ludlow Street, between Houston and Delancey Streets, to alleviate the existing pedestrian and traffic congestion and to minimize noise; and

WHEREAS, the applicant itself has an apparent disregard of the existing conditions on Ludlow Street, in that it is intending to operate an establishment which will be open until 2:00 A.M. and 4:00 A.M. most nights of the week and which will have accordion doors which will effectively extend its business to an already overwhelmed street; and

WHEREAS, this applicant has failed to demonstrate the community support required for its application before Community Board #3 or to demonstrate how its proposed business would be of public convenience and advantage; now

THEREFORE, BE IT RESOLVED that Community Board #3 moves to deny the restaurant wine license for Tpoutine, 168 Ludlow Street.

12. Casa De Chabela, 40 Ave B (rw)

VOTE: To inform the SLA that Case de Chabela, 40 Avenue B, has withdrawn its request for a restaurant wine license before Community Board #3 and to ask that the SLA not consider this application until the applicant reapplies to this community board with the requisite thirty (30) days notice to the SLA.

13. Lavagna, 545 E 5th St (extend to sidewalk cafe/rw)

Sundays through Thursdays and 12:00 A.M. Fridays and Saturdays.

14. Sorella, 95 Allen St (up/op)

VOTE: To deny the upgrade to a full on-premise liquor license for Sorella, 95 Allen Street, unless the applicant agrees before the SLA to add as conditions of its license the following signed notarized stipulation that 1) it will maintain its method of operation as a full-service Northern Italian restaurant, serving food to within one (1) hour of closing, 2) its hours of operation will be from 12:00 P.M. to 10:00 P.M. Sundays, 3:00 P.M. to 12:00 A.M. Mondays and 3:00 P.M. to 2:00 A.M. Tuesdays through Saturdays, and 3) it will play ambient background music only, consisting of an iPod.
