McKenzie Foster Previous Experience

Principle, McKenzie Foster, previously helped open Nuela, a Peruvian restaurant located in the Flatiron District. She joined the management team three months prior to its opening to assist in marketing, back of the house management, and training the staff for a strong opening. In addition to training, she played a consistent role in running the front of the house upon the restaurant's opening. She oversaw all seating, ordering times, wait staff management, major reservations, food reviews and crowd control. Her experience in helping open a 3000 square foot restaurant is invaluable to FryGuys.
