GROUND FLOOR PLAN OF EL QUIJOTE RESTAURANT
 226 WEST 23RD STREET NEW YORK, N.Y. 10011
 SCALE: 1/8" = 1'-0"

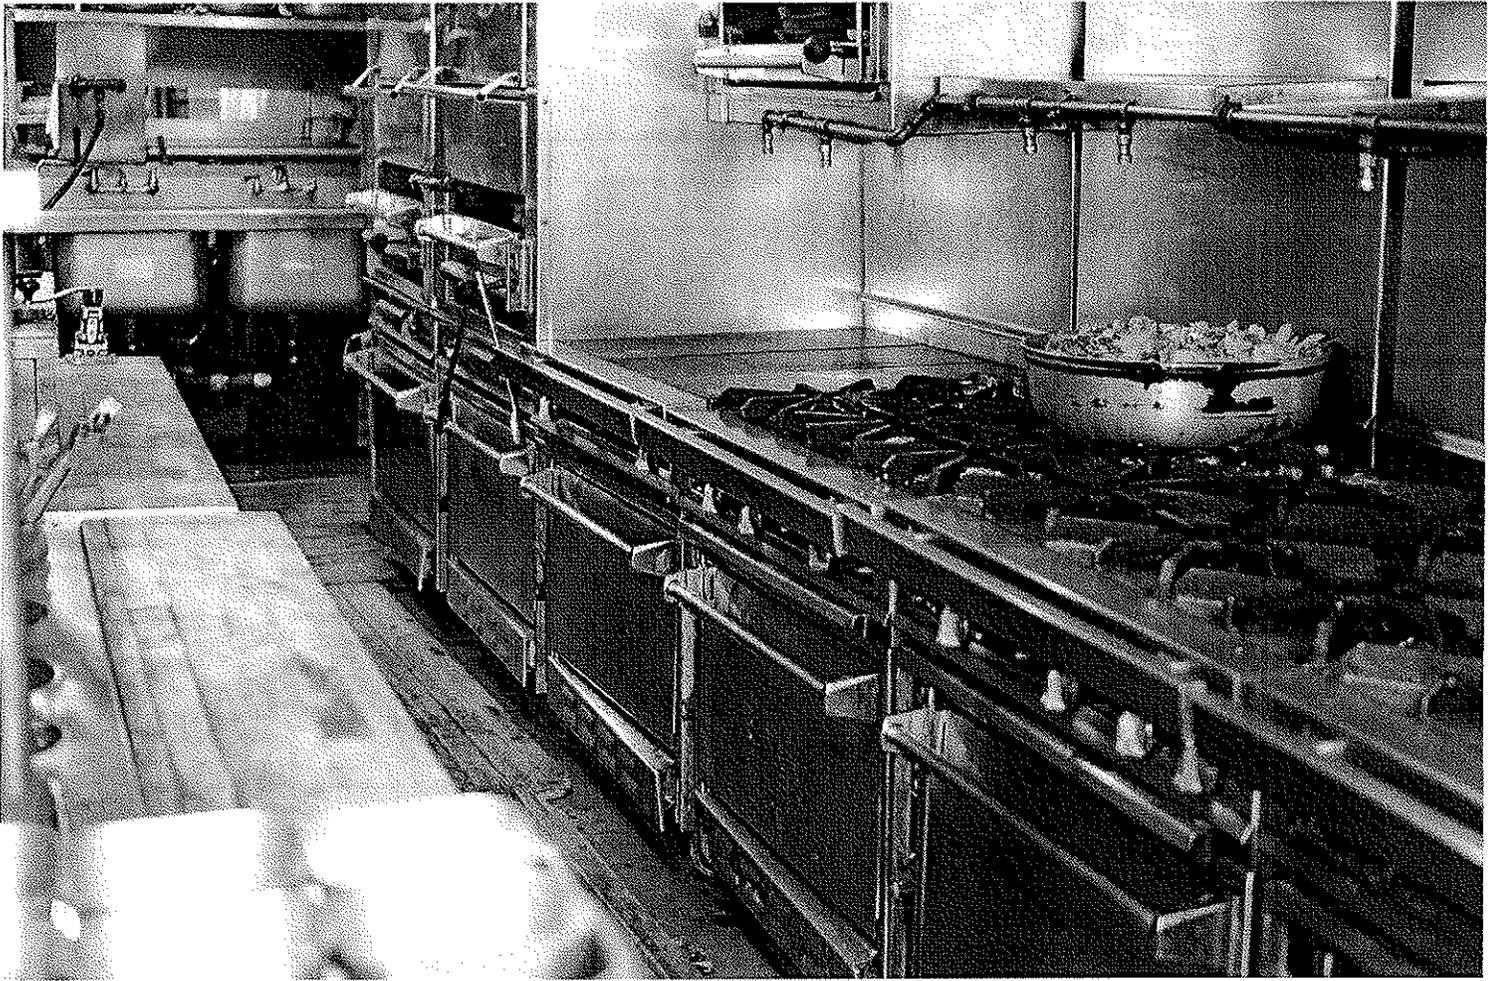

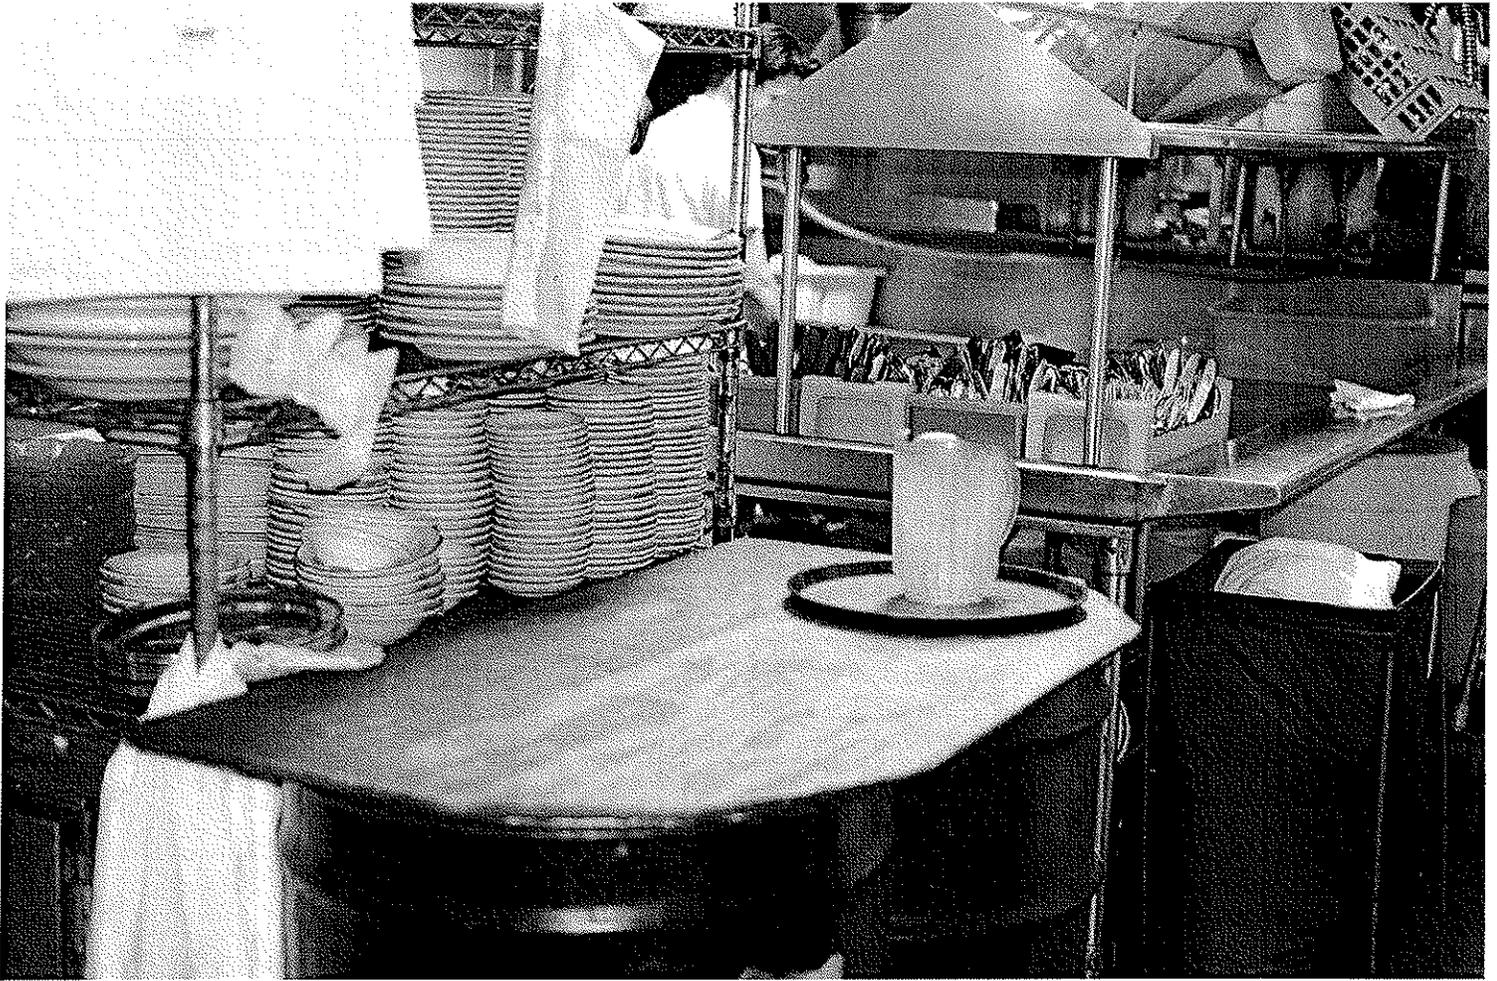

The El Quijote of New York City

The above is a prize given to El Quijote Restaurant by the Minister of Spain Exmo. SR D. Miguel Arias Canete on November 18, 2002, declaring that El Quijote is the best Spanish restaurant of any country in the world outside of Spain.

El Quijote is as well known for its welcoming atmosphere as for the quality of its authentic Spanish Cuisine. To owner Manny Ramirez, the client is, above all, a friend and everything he does illustrates this. This eatery is a place of dining history that dates back to 1930, the oldest Spanish Restaurant in New York City. Vibrancy here is created by many artists and politicians who have labeled this historic landmark, "The Hollywood of New York City." Manny, the director of this dining fantasy, is constantly developing new ideas, the best being the "Daily Double" (two one and a quarter pound lobsters for one person), often imitated - never duplicated. Mr. Ramirez, dedicated to giving exceptional value for one's money, was the first to establish his own fishing boats along the coast of Maine so as to offer generous portions with the emphasis always on FRESH. This is the place to rediscover the pleasures of pure natural flavors such as El Quijote's famous Spanish Coffee and their Secret Sangria, both from the same coveted recipes passed on for generations by Manny's Family. The restaurant has a place in history and in the hearts of the people of New York City.

There are no known SLA violations for the premises and, upon information and belief, there is no known history of criminal activity at the premises.

Issuance of the instant license will promote the public interest in that it will be a positive contribution to the economy by way of the jobs maintained, continued wages paid, income, sales and other taxes collected, state and local license revenues, and maintenance of the local real estate tax base.

Accordingly, we believe approval of this application and issuance of an On-Premises Liquor License will promote the public interest and convenience and we request that the Community Board should so find.

In the early 1900's, working in the Salumeria's of Little Italy, Patsy's Lanteri perfected "New York Style Pizza". In 1933, he opens the city's first Pizzeria Restaurant on 118th Street and First Avenue, establishing himself as New York's foremost pizza baker and inspiring scores of imitators.

Over 60 years later, Patsy's Pizzeria's still proudly serve his famous recipe "old world" style pizza throughout the city.
