Dear Honorable Senator Hoylman,

The Quality of Life Committee of Manhattan Community Board 4 (MCB4) would like to express its appreciation for your interest in passing legislation in the New York Senate to make the stipulations agreed to by liquor serving establishments accessible to the public, and to request increased funding for additional SLA investigators.

We look forward to learning more about the bill and urge you to contact us should you desire any input.

We thank you and your staff for all of the good work you do for our community. It is very much appreciated.

Sincerely,

Christine Berthet
