Dear Chairman Rosen:

Manhattan Community Board 4 (MCB4) recommends denial of a new full liquor license and for **Hakkasan Limited d/b/a Hakkasan** unless the following stipulations, agreed to by the applicant, are part of the method of operation for this establishment:

- Hours of operation will be no earlier than 12:00 pm and no later than 3:00 am, 7 days per week.
- The applicant is not applying for a cabaret license with this current application.
- The applicant agrees to never use outside promoters.
- There will be no use of any outdoor spaces (rooftop, patio or sidewalk café) at this time for the sale or consumption of alcoholic beverages.
- The applicant stated they will have background music playing in the restaurant.
- There will be no French doors or windows that open to the street front.
- There will be absolutely no use of delivery bikes.
- Applicant will not install a storm vestibule enclosure that will project more than 18 inches as per DOB code (office to add). Storm enclosures can only be used between November 15th and April 15th.
- Kitchen exhaust will exit through ventilation above the highest floor of surrounding buildings and be constructed in a manner to not disturb neighboring residents or offices. Additionally it will be compliant with NY DOB code.

- The applicant agreed to add one ‘outdoor’ host to assist pedestrian and vehicular traffic into and out of the establishment during peak hours.

A signed copy of the stipulations agreed to by the applicant is enclosed. This is a restaurant/lounge establishment and will have a capacity of no more than 267 with 60 tables. There will be two stand up bars with 26 seats total. There will be no service bars. This application is for a new establishment.
