Re: Privy LLC d/b/a Danji
346 West 52nd Street (8th /9th Avenues)

Dear Chairman Rosen:

On June 10th, 2010, Manhattan Community Board 4 (MCB4) sent its recommendation of denial of an alteration to a new full liquor license for Privy LLC d/b/a Danji., unless certain stipulations, agreed to by the applicant, were integrated as part of the method of operation for this establishment. A copy of that letter is enclosed.

In the process of presenting to MCB4, the applicant made an error in the count of seats and occupancy.

The applicant has asked that the count be corrected as follows. Originally the applicant stated there would be 74 total capacity with 24 seated at 12 tables with one stand up bar.

The applicant has requested that the total occupancy remain at 74 and there will still be 12 tables with 29 seats and one stand up bar with 5 seats.

MCB4 recommends approval of the new occupancy count and seating plan provided all other stipulations remain in effect as part of the method of operation for this establishment.

A copy of the revised stipulation form, signed and initialed by the applicant is also enclosed for your reference.

Sincerely,

[signed 9-17-10]
