Re: Stoop and Fence at 336 West 23rd Street

Dear Commissioner Weinshall,

At its October 1, 2003 meeting, Manhattan Community Board No. 4's Full Board reviewed an application for a stoop and fence at the above referenced location. Prior to the Full Board meeting, the applicant appeared at the September 17, 2003 meeting of the Transportation Committee, where no one appeared in opposition to the plan and the committee members present were unanimously in favor of the application.

On October 1, 2003 the Full Board approved the application for the stoop and fence.

Sincerely,
