Re: Dadga Corporation, 692 Tenth Avenue (48/49)

Dear Commissioner Kelly,

At its July 13th, 2004 meeting, the Business Licenses and Permits Committee of Manhattan Community Board No. 4 voted to recommend approval of an on-premises liquor license for Dadga Corporation located at 692 Tenth Avenue (48/49).

This recommendation is contingent on the owner's agreement to incorporate the following stipulations into its method of operation on its New York State Liquor Authority Application:

1. Dadga Corporation shall hire a professional acoustic abatement company with at least five years experience in the field of acoustic abatement to design acoustic abatement for the establishment with the goal of preventing noise and vibration from disturbing the nearby residences and businesses, in particular the residential apartment above.
2. Dadga Corporation shall follow the recommendations of the acoustic abatement company and incorporate their designs into the construction documents of the renovation.

At its full Board meeting on August 11th, 2004, Manhattan Community Board No. 4 voted to approve this recommendation with the above stipulations attached.

Sincerely yours,

Walter Mankoff
Chair
Manhattan Community Board No. 4
