**Re: Planters at 300 West 23<sup>rd</sup> Street**

Dear Commissioner Weinshall,

At its November 18, 2004 meeting, Manhattan Community Board No. 4's Transportation Committee reviewed and recommended approval of a renewal application to maintain the four planters in front of the above referenced location.

As no one appeared in opposition to the plan and no complaints have been received by the Board office, the committee members present were unanimously in favor of the application.

On November 22, 2004 the Board's Executive committee approved the renewal application for the four planters. The approval is subject to ratification by the full Board at its December 1, 2004 meeting.

Sincerely,
