Re: Request to Temporary Relocate Bus Stop West 23rd Street and Tenth Avenue

Dear Mr. Stricker and Mr. Noto,

Community Board 4 has been informed by the developer of 515 West 23rd Street regarding his request to temporary relocate of the bus stop on the northwest corner of 23rd street and Tenth Avenue for a period of nine (9) months. Relocation of the bus stop is necessary due to the limited space to position a crane and stage trucks and equipment during construction.

Community Board 4 considers this to be a reasonable request and believes that the developer’s suggestion to relocate the bus stop to the northeast corner of 23rd and Tenth Avenue in front of 465 West 23rd Street presents an acceptable alternative.

We ask the developer, NYCT and DOT to notify the neighborhood, especially the Tenant Association of London Terrace, in advance of the temporary relocation and to seek their advice before deciding on the specific alternative location of the bus stop.

Sincerely,
