STATEMENT OF PUBLIC CONVENIENCE AND ADVANTAGE AND PUBLIC INTEREST

Granting an on premises liquor license to Mumbai Shanghai Inc would be to the public convenience, advantage and public interest for the following reasons:

1. There are no other restaurants in the area offering a diverse cuisine of traditional Indian and Chinese foods together.
2. The applicant has taken measure to insure that issues from the locations past will not happen in the locations future. The main reason for this is that the premise will be operating as a restaurant and not a lounge or club.
3. By operating as a restaurant, noise levels are more than significantly reduced and will not be a threat to the community.
4. Also by operating as a restaurant, there will be no after hours loitering that could result to unsavory behavior from the local residents or patrons.
