- Installation of Catch Basins and Basin Connections

COMMUNITY IMPACTS & WHAT TO EXPECT

COMMUNITY IMPACTS

- Traffic will be maintained and protected as per NYC DOT stipulations
- Pedestrian access will be maintained at all times
- Temporary street closures and / or limited access may be necessary
- Bus routes affected by the project:
 - West 14 St. (9 Ave – 10Ave) – M11, M12, M14D, M14A
- DDC will monitor operation and work within DEP Noise Code regulations
- Sidewalk and/or loading dock access from the curb may be temporarily restricted while work is conducted (coordination will be arranged on a case by case basis)
- Parking may be temporarily restricted during construction

Water Service Interruptions:

Water service disruption planned

- 72 hour advance notice will be provided
- Specific instruction will be provided prior to water shutoff
- If your water service is not restored within 3 hours of the indicated on the Shutoff notice, please contact the community construction Liaison (CCL) or 311 if after hours.

Special Needs:

- Individuals with special needs should contact the CCL
- DDC field staff will work specially with those individuals to minimize certain inconveniences

Rodent Control:

- A rodent survey will be performed prior to construction
- Rodent Control Stations will be installed by a professional rodent control contractor

Keeping You Informed

Office of Community Outreach & Notification, DDC

- **Venicia Villafana is the Community Construction Liaison (CCL) for HWMP2020 (Gansevoort Reconstruction)**
- **Amanda Girgis is the CCL for MED625 (Water Main Extension and Replacement)**
- CCLs keep the community informed by:
 - Being the first point of contact between the project and the community
 - Identifying, addressing and/or resolving field inquiries & issues as well as any coordination between the project and needs of the affected stakeholders
 - Providing regular updates/advisories for the community to better plan around construction activities
- **CCL contact information:**
 - Project ID: HWMP2020
(Gansevoort Area Reconstruction)
