BROOKFIELD OFFICE PROPERTIES - CONSTRUCTION OF THEIR WEST DEVELOPMENT We understand that the current construction activity, which involves heavy rock and concrete removal, creates unwanted noise. Phase I work is being done to build a platform over the rail yard along Ninth Avenue between W. 31st and W. 33rd Streets. Unfortunately, some of this work can only be done after hours when it won't disrupt train operations by Amtrak, New Jersey Transit and the Long Island Rail Road. This work is estimated to take four months. Brookfield has been sending out weekly emails on Tuesday detailing the after-hours work schedule for the week ahead. If you know anyone who would like to receive these emails please forward their address to ebaptiste@cb.nyc.gov. Brookfield's key point of contact is Henry Caso, Vice-President, Manhattan West Construction, and he may be reached at (212) 560-0746 or via email at Manhattanwest.Development@brookfield.com.

ELECTION The primary election is Tuesday, September 10th. If you do not know your poll site location, you can call (866) VOTE – NYC to find your location. The last day to register for the general election is Friday, October 11th.
