

Manhattan Construction Task Force

We investigate safety lapses, injuries, fatalities, fraud & wage theft cases in the construction industry

If you witness any safety lapses, or fatal injuries contact us via Text Message or Whats App at:

(646) 712 - 0298

Please identify yourself & the exact address. Please record as much of the following information as possible:

- Date of incident
- Address
- Relevant photographs or videos
- In your message include a description of the conditions at the site
- If someone who you know works in the construction industry is a victim of an accident or wage theft.
- Any relevant DOB permits at the site.
