As the Assembly Member who represents this site, I am glad to see more affordable housing coming to Community District 4. As the Slaughterhouse site moves through ULURP, I hope and expect that the affordable housing nature of the project will be preserved. I urge the NYC Economic Development Corporation to issue an RFP for 100% permanently affordable housing and to seek a nonprofit organization to manage the project. The Slaughterhouse site is integral to CB4's Affordable Housing Plan, and I look forward to working with the community, EDC and my colleagues to ensure that this important development provides the greatest number of affordable units possible.
