July 2019 Full Board Meeting Minutes

	ENTATIONS / C HEARINGS	There were none this month.	
--	---------------------------	-----------------------------	--

	Public Session
Paul Gronki	Speaking on behalf of the West 16th Street Block Association, Mr. Gronki hoped that the increased signage requested in the Board's letter to DOT would in fact deter trucks from turning onto 16th Street off 7th Avenue. As to the letter to DOT regarding experimental loading spaces in his neighborhood, he noted that the "No Parking" signs used to enable loading and unloading by FedEx and others were confusing because drivers are not aware of the fact that the signs are intended for their benefit. He also voiced opposition to the use of air rights from NYCHA to subsidize private development because Chelsea does not need any more market-rate housing.
Tyrone Anthony	Mr. Anthony, who lives at 300 West 46th Street near 8th Avenue, is opposed to the application of Wabo Cabo for a liquor license because he believes the establishment will in fact be a nightclub and not a restaurant. He noted the existing noise issues on his block would be exacerbated by Wabo Cabo due to loud music, vibrations, and after-hours traffic.
Mary McGee	Ms. McGee is a resident of Fulton Houses who believes her Chelsea neighborhood is over-developed and any further development would not benefit existing residents of Fulton Houses. She agrees with the position taken by the Board in its letter to NYCHA (Item 43) but made clear her vehement opposition to the RAD program because it replaces guaranteed benefits coming from NYCHA under Section 9 with uncertain funding under Section 8. She wants the Board to delay sending its letter to NYCHA until the residents of Fulton Houses have had the opportunity to meet with the Board.
Linda Ocasio	Ms. Ocasio has been a resident of Fulton Houses for forty years and, she too, is opposed to the NYCHA proposal. She noted that her development is at risk, even though it is one of the best-maintained developments in the NYCHA system. She believes that there are untapped sources of revenue to make repairs, making privatization accompanied by demolition unnecessary.
Bobby Vangelatos	The Deputy Center Manager of the Chelsea Recreation Center announced an upcoming back-to-school event on Tuesday, September 3rd where children will be given book bags and school supplies. A forthcoming flyer will provide details.
Lee Shepard	Mr. Shepard lives in Manhattan Plaza at 43rd Street and 10th Avenue. He is concerned about increasing quality-of-life issues from public urination to drug dealing that he has

	witnessed over recent years. He wants to see more police officers patrolling the neighborhood.	
Robert Nolan	Mr. Nolan lives at 301 West 45th Street in a building that abuts the Cabo Wabo property. He is concerned about the live and recorded music noise, vibrations and, most importantly, the crowds forming around the establishment. He characterized Cabo Wabo as a nightclub that happens to serve food and noted that the location has never housed and establishment that had a liquor license.	
Thomas Blewitt	Mr. Blewitt lives at 300 West 46th Street. He endorsed earlier comments made in opposition to Cabo Wabo but emphasized the safety issues arising from large groups of people exiting the establishment onto 8th Avenue through a bike lane.	
Roberto Rodriquez	Mr. Rodriquez has lived in Fulton Houses since 1946. He made a case for government finding the money for public housing by referring to the first public housing being built and the enactment of the Public Housing Act during the Great Depression.	
Lisa Wager		

	Remarks from Elected Officials and Representatives
Assemblymember Dick Gottfried	Mr. Gottfried credited the new Democratic majority for the success of the last legislative session. He made the following comments:
	We can expect medical marijuana and health care to be on next year's agenda.
	• He is concerned that the redevelopment plans for Pier 40 might be too restrictive in allowing what can be developed there. Because Pier 40 relies on revenue-producing developments, this has the potential to limit funding.
	 He wants nothing to go forward at Fulton Houses until a working group is established – one that includes representatives of residents and the community.
Brian Lewis for	Mr. Lewis gave updates and made the following announcements:
BP Gale Brewer	 Everyone is invited to apply for community board placements. The Borough President's office is particularly sensitive to the need to have representation from public housing.
	• The Borough President remains opposed to the demolition of public housing and the Fulton House Working Group is calling for all possible options to remain on the table.
	• The BP's' office attended a rally for tenants at 336 West 17th Street for tenants facing neglect and is lending its support to the residents of 219 West 24th Street which is up for demolition as a result of neglect.
	 Held public hearings on the issue of zoning loopholes
	 Leading a Complete Count Committee for the 2020 census
	 Supporting a bill to require landlords to register vacant storefronts
	BP's office issued \$29M of capital funds to fill holes in the city budget

	 Upcoming events include: Fresh Food for Seniors program – see flyer Dominican Day Parade Kick-Off Event on August 1; parade August 11 Know Your Rights Forum on August 5 African American Day Parade September 15
State Senator Robert Jackson	Senator Jackson introduced Chris Nickell, his Deputy Chief of Staff. He went on to announce his intention to visit all the neighborhoods in his district through a program he calls "Senator on your Corner." He and his staff are preparing for the 2020 Census. The Senator believes that the Senate accomplished a great deal in the last session, but more needs to be done in the areas of health care for all New Yorkers, and Electoral Fusion.
