19 Dear Ms. Gotay:

20
21 Manhattan Community Board 4 recommends approval of the application for a new unenclosed sidewalk
22 café submitted by the above applicant.

23
24 This was subsequent to a review of the site and an appearance before the Executive Committee by the
25 applicant with the understanding that the changes made by the committee – removal of one table/two
26 chairs to right of service area and an addition of two tables/four chairs to the left of entry provided they
27 were flush, met distance requirements – were submitted in a revised drawing prior to Full Board
28 approval.

29
30 We continue to request that the outer boundaries of cafes be marked on the sidewalk, as required by
31 Department of Consumer Affairs’ sidewalk café regulations.
