AN UPDATE TO PlaNYC: A GREENER, GREATER NEW YORK that assessed the progress of PlaNYC since its launch four years ago and charted a new direction for the City's future has been released. The update to PlaNYC is the culmination of a year of work that began on Earth Day 2010 that included 48 public meetings with over 220 groups, yielding almost 1,000 ideas, suggestions and feedback. Working with the City Council, the Administration built into PlaNYC a requirement that it be updated every four years. Today's update, the first, has 132 initiatives and more than 400 specific milestones to achieve by December 31, 2013.
