

**June Transportation Committee Agenda****Tuesday, June 9, 7:00 PM****At CB7 Office, 250 West 87th Street.**

1. Citibike Site visit review by committee:
 - Potential safety issues
 - Potential traffic impacts
 - Possible site conflicts
 - If one of the above is present, possible alternate sites.
2. Citibike Community comments to date (from CB7 website and public comments)
3. Board and Community Discussion of Vision Zero principles as they pertain to Citibike:

Enforcement (motor vehicles, pedestrians, bicycles)

NYPD - Failure to yield, traffic officers at high-risk areas, one-way street travel, speeding, ear phones, cell phones, stop at red lights, riding in bike lanes

Engineering

- Signage – Citi Bike wayfinding, bike kiosk signage
- Thermoplastic markings
- Resurfacing
- Northbound bike lane (DOT will come to CB7 in the fall to discuss)
- Operations and Maintenance in inclement weather

Education

- Information for bike riders on rules on bikes
- Citibike educators at various stops during launch/humans at docking stations
- Nearest bike merchants for helmets and bike supplies
- Technology (Citibike app)
- Collaborative education sessions w high risk pedestrian groups

4. Citibike Implementation and Operational Data, followup w Motivate/Citibike/DOT
5. 21 outstanding Transportation Committee priorities for DOT - safety prioritization and action
6. CB7 Data Report – Rich Robbins
