

# Volunteers Needed!

---

Please help spread the word to anyone that you know about volunteers needed at the Anshe Chesed Shelter, it is small (only 10 beds) and clean in a synagogue on 100<sup>th</sup> St. & WEA that is dedicated to social justice issues and serving this community. It is completely staffed by volunteers 365 days of the year and we have been sending homeless men there since 1985. Without this shelter many hundreds of men would not have had a safe, warm and clean place to begin the process of coming off the streets and eventually find permanent housing.

The volunteers in the evening shift help to welcome the men, most of whom already know what they need to do to get their beds set up and their food for the evening. Then the overnight volunteers have a separate room that they can sleep in and are there as support for the men and to make sure that everyone is up and out by a certain time in the morning (6:30am I think). So, you can see the only requirement to being a volunteer is compassion and time. Please, please help us help those that need it most. If you have any questions, please call me. Otherwise, you can contact the volunteer coordinator (a volunteer position itself), at: [ac\\_shelter@yahoo.com](mailto:ac_shelter@yahoo.com).
