

the power of green

Con Edison wants to help you make your home and business more energy efficient.

For Homeowners (1 to 4 family homes)

- **Financial incentives** for upgrading heating and cooling systems
- **Cash rebates** from \$200 to \$600 for installing eligible energy-efficient heating and air conditioning

For Small Businesses*

- **Free surveys** show you how to spend less and save energy
- **Free upgrades** such as CFLs and water heater thermostats
- **Big incentives** up to 70 percent for major equipment upgrades

* average peak demand less than 100 kW

For Apartments, Condos, or Co-ops* (5 to 50 units)

- **Incentives** for owners and renters who replace and upgrade refrigerators and air conditioners
- **Free surveys** evaluate individual units and common areas for lighting- and cooling-efficiency improvements
- **Cash rebates** for buying ENERGY STAR refrigerators and air conditioners
- **Recycling** of old refrigerators and air conditioners available

* coming in 2010
