

January 2004 Resolutions

Date: January 6, 2004

Committee of Origin: Parks and Preservation

Re: Department of Parks & Recreation's request for proposals for advertising in comfort stations.

Full Board Vote: 32 In favor 1 Against 2 Abstentions 0 Present

WHEREAS, Community Board 7/Manhattan is concerned about the proliferation of advertising on public property in our District, and frequently hears complaints from our constituents about this issue; and

WHEREAS, the proposed advertising would be intrusive and would attract graffiti; and

WHEREAS, the amount of revenue that would be raised would be insignificant in relation to the cost of regular maintenance of the comfort stations, and would be far too small to support any capital improvements of the comfort stations; and

WHEREAS, Community Board 7 believes that the principle of avoiding the proliferation of advertising on public property outweighs any benefits that would be gained from this proposal,

BE IT RESOLVED THAT Community Board 7/Manhattan:

(1) requests that the Department of Parks and Recreation withdraw this proposal city-wide; and

(2) requests that, in any event, no advertising be placed in comfort stations within Community Board 7's District, including Central and Riverside Parks; and

(3) requests that, in any event, should a vendor be licensed under this proposal, Community Board 7 be permitted to review and veto, if it so chooses, any comfort location proposed within its District.
