MANHATTAN BOROUGH PRESIDENT   [galeabrewer](#)

Dear Friend,

The Manhattan Borough President's Office is currently accepting applications for Manhattan Community Board membership. Community Boards represent their neighborhoods on crucial issues such as development, land use, historic preservation and city service delivery. Serving on a board is an incredible opportunity to be on the front lines of our civic landscape.

To find out more about Community Boards, apply online, or download a paper application, [click here](#). Applications are due by January 30, 2015.

Sincerely,

Gale A. Brewer
Manhattan Borough President
