Governor

ROSE HARVEY
Commissioner

LESLIE WRIGHT
Regional Director

October 30, 2015

Dear Riverbank State Park Patrons:

The renovation of the West 145th Street entrance to the park will commence shortly and take place in stages over the coming months. We anticipate the project will be complete in Spring 2016. Due to the renovation, please be advised that the pedestrian walkway leading into and out of the park from Riverside Drive and 145th Street will be closed to ALL foot traffic on ALL weekdays between the dates of Monday, November 9th and Friday, November 20th due to construction. All pedestrians who usually enter or exit through this area will be directed to the 138th Street pedestrian gate. The 145th Street pedestrian walkway WILL BE open on the weekend of November 14th and 15th.

The vehicular roadway will remain open to all vehicular traffic during this time period. We expect the pedestrian walkway at 145th Street to reopen to the public on a daily basis on Monday, November 23rd. Should there be any questions, please contact the office of the Park Director, Maurice Hicks at 212-694-3606.

We appreciate your patience with any inconvenience during the renovation and thank you for your patronage of Riverbank State Park.

Sincerely,

Leslie Wright
NYC Regional Director
