***If you're a working artist,
SATAE is for you!***

Borough President Gale Brewer and Manhattan Community Board 9 are bringing together school administrators, the Department of Youth Community Development (DYCD), community-based organizations, the Mayor's Office of Contracts (MOCS) and teaching artists (or *aspiring* teaching artists!) to collaborate on how to best provide a high quality arts curriculum and navigate the city's contracting process.

Following the Expo, join us at a launch party for the Community Board 9 Artists Directory hosted by the CB9 Arts & Culture Committee.

All are welcome, but please rsvp online: mcb9satae.eventbrite.com
