

Minute of Health Committee of CB9 November 5, 2016 Meeting

Location: 18 Broadway

Attendees: Monica Dula

LaQuita Henry

Feruze Zeko

Vaughn Jackson

Meeting called to order at 6:30pm

LaQuita Henry is working with WE-ACT to get a resolution passed by the Board. WE-Act is preparing the resolution regarding endorsement of their Resiliency Report for the West Harlem Community. They indicate that they want to give the Resolution to the City Council.

Feruze Zeko is working on getting a tour of the Wastewater Plant at Riverbank State Park for those of us who would like to go. She is also working with the Professor at Columbia to see if we can get Columbia to test the air for everything that may be emanating from the plant not just what the state is testing.

WE will be having a public Forum/Town Hall Meeting on K2 and Flakka. These are the new synthetic drugs that is emerging in our community. Mr. Jackson has agreed to use Fortune Society resources to assist. I have also agreed to reach out to Neurologists and Public Health Specialists to be panelists. This is planned for some time in November.

Meeting adjourned at 7:30 pm.

P.S. If there is anything that you think we should be looking at , please don't hesitate to contact me at 718-579-3036 or mddula@legal-aid.org.
