DOT – Dan Wagner, Project Manager, Pedestrian Projects Group and Josh Orzeck , Community Coordinator spoke on the upcoming project along Riverside Drive, West of 116 & West 135th Streets & West 120th Street.

There was further discussion on this project and the committee felt that the impact of this project will affect the community surrounding 116th Street as well as the community in the

northern part. Therefore, it was agreed that a public hearing is needed to give the community a chance to voice and weigh in concerns, suggestions and changes to the project.

New Business: A discussion was had on the safety around 12th avenue.

Josh Orzeck explained that steps have been taken that the cars that are parked there are creating much of the problem and that these cars are now getting tickets. Mr. Orzeck has taken two field trips to insure that this problem is being taken care of.

The next meeting of the Uniform Service committee will be Thursday, March 5th, 2015 and the committee will hold a Public Hearing. The place will be announced shortly.
