

**TCNY/2020**

**EVERY NEIGHBORHOOD, EVERY NEW YORKER**

# EVERYONE'S HEALTH COUNTS

In New York City health outcomes differ dramatically between communities — poor health outcomes cluster in places where resources and opportunities are limited.

## TELL US ABOUT THE HEALTH PRIORITIES FOR YOUR NEIGHBORHOOD!

Join the Health Department's Community Consultation to discuss how we can work together to make every community a healthy community.

Light refreshments will be available. Free TCNY tote bags and water bottles will be available to participants.
