Minutes were adopted and second by Patricia Lewis.

REPORTS

26th Precinct Officer Harper

Re: shooting of a young male on October 11, 2011 by 2 young men, a 15 year old has been arrested for that shooting.

A rape was attempted on October 11, 2011 at 11:30 AM, the suspect entered through the window and the victim was able to fight off the attacker.

PSA6 – Officer Cheatham

Announced the Police Service Area 6 Youth Council which will be open to all youths between the ages of 11 through 18 residing in the confines of PSA6.

The objective is to hear what the youth have to say.

Ms. Abate was present regard the Helicopter Noise. There was much discussion on the safety issue. These Tourist Helicopters are to flying without FAA watchdogs. A vote was taking in favor of a reso to redirect the helicopter travel.

The committee vote was 2 in favor 1 abstention. Residents was 7 in favor and 2 abstentions.

The Resolutions for Renewals for all 3 – 1 Bagel & Bakery located at 2898 Broadway the 26th precinct has no problems with all three renewals. 2) V&T Restaurant located at 1024 Amsterdam Avenue – 3) 112 French Corporation located at 2883 Broadway. The Committee has no objection with the renewals as long as the distance from the building line conforms with Community Board #9 policy of no more than 8 feet-being further resolve that the board objects of the renewal of the license if the application is more than 8 feet from the building line.

MOVIE RESO:

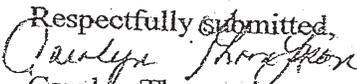

There was a sense of the group that the film makers should buy local and that there should be some uniformity in the give backs to the community, that is to say that a 3 day 6 block film making No Parking regulation should recompense the community than a 2 block 1 day shooting. Notification to the community should be made prior to the No Parking alternate side of the street immediately prior of the day of shooting.

There are No Parking Monday through Thursday and the film makers want to shoot on Sundays, then the notification sign should be hung before the alternate side No Parking goes into effect on Thursday.

Helicopter Noise:

The committee discussed a lengthy motion drafted with the help of Councilperson Jackson's office. It was agreed that our district should be treated the same as Brooklyn Heights. This means that the helicopters should not be allowed to fly over land and should only be allowed over the Hudson River in the CB9M area. The ten crashes over the last two years means that there is also a safety factor involved. The reso includes other issues.

Respectfully submitted,

Carolyn Thompson

Chair Uniform Service/Transportation
