Re: FY 2010 Annual Plan Minor Amendment

Dear Ms. Morales:

This letter is written to advise that the New York City Housing Authority ("NYCHA" or "Authority") is amending its FY 2010 Annual Plan to incorporate Section 18 Demolition/Disposition activity at Boston Secor Houses (AMP # NY005011380) located in Bronx County.

NYCHA will submit an application on-line for the disposition under Section 18 of the Housing Act of 1937, as amended, to dispose of a 51,268 square foot parcel in the Bronx on Bivona Street, located within the Boston Secor Houses campus, which is currently leased for operation of a school (P723X) by the Department of Education. This parcel will be conveyed to the New York City School Construction Authority ("SCA"). The proposed disposition will not displace any public housing.

Residents of Boston Secor Houses were consulted on the proposed disposition on May 11, 2010. The Bronx North Council of Presidents was consulted on May 24, 2010. NYCHA intends to submit the disposition application in August 2010.

The Authority has determined that this action constitutes a minor change of the approved plan. The proposed amendment is not the result of federal statutory change or regulatory change, nor does it have substantial programmatic or financial effect on NYCHA programs or result in substantial obligation or administrative burden on the Authority.

A copy of the amendment will be made available to members of the public seeking to examine the FY 2010 Annual Plan. It will be posted on the Authority's website where a copy of the approved FY 2010 Plan is available for public review.

Thank you for your consideration of this request. If you have any other questions please feel free to contact Anne-Marie Flatley at (212) 306-8202.
